Academic Writing Guide:

How to Fix Your Academic Writing Trouble: A Practical Guide Inger Mewburn, Katherine Firth, Shaun Lehmann, 2018-12-21 Are you confused by the feedback you get from your academic teachers and mentors? This clear and accessible guide to decoding academic feedback will help you interpret what your lecturer or research supervisor is really trying to tell you about your writing and show you how to fix it. It will help you master a range of techniques and strategies to take your writing to the next level and along the way you'll learn why academic text looks the way it does and how to produce that authoritative scholarly voice that everyone talks about. This book is an easy to use resource for postgraduate students and researchers in all disciplines and even professional academics to diagnose their writing issues and find ways to fix them. This book would also be a valuable text for academic writing courses and writing groups such as those offered in doctoral and Master's by research degree programmes. Whether they have writing problems or not every academic writer will want this handy compendium of effective strategies and sound explanations on their book shelf. It's a must have! Pat Thomson Professor of Education University of Nottingham UK
