*Accomplished Teaching* Bess A. Jennings, Mary Ann Joseph, Frank J. Orlando, 2007-07-25      **Accomplished Teaching** Bess A. Jennings, Mary Ann D. Joseph, Frank J. Orlando, 2011      **Accomplished Teaching** Bess Jennings, Frank J. Orlando, 2014-06-03      **Accomplished Teaching** KENDALL HUNT PUB CO, 2010-04-29      **Educational Assessment in Latin America** Sue Swaffield, Sally M Thomas, 2019-07-23 This collection presents educational assessment research from Latin America adding to a relatively small but growing body of research considering educational assessment and evaluation issues in this large region The predominance of Chile reflects its early highly centralized education system and the fact that it adopted national testing before other Latin American countries It was also an early participant in international assessment programmes Other countries have followed the trend of implementing national testing and to a lesser extent participating in international surveys The complementary development of technical expertise in quantitative research methods has enabled extensive analysis of the large data sets generated by these testing and assessment programmes Taken together the evidence reported provides a means not only of reviewing educational quality issues in Latin America but also of facilitating comparisons that allow the context specificity of equivalent research conducted in western developed countries to be considered The chapters in this book were originally published as a special issue of *Assessment in Education Principles Policy and Practice*      Assessing Accomplished Teaching National Research Council, Division of Behavioral and Social Sciences and Education, Center for Education, Board on Testing and Assessment, Committee on Evaluation of Teacher Certification by the National Board for Professional Teaching Standards, 2008-09-04 The mission of the National Board for Professional Teaching Standards NBPTS is to establish high and rigorous standards for what teachers should know and be able to do to certify teachers who meet those standards and to advance other education reforms for the purpose of improving student learning in American schools In response to a request from the U S Congress the National Research Council developed a framework for evaluating programs that award advanced level teacher certification and applied that framework in an evaluation of the impacts of the NBPTS Specifically this book addresses the impacts on students teachers and the educational system in this country Assessing Accomplished Teaching finds that teachers who earn board certification are more effective at improving their students achievement than other teachers but school systems vary greatly in the extent to which they recognize and make use of board certified teachers Many of the questions on the evaluation framework could not be answered because the data have not been collected and the report makes recommendations for the kinds of research that are needed to fully evaluate the impacts of board certification by the NBPTS      **Assessing Accomplished Teaching** Committee on Evaluation of Teacher Certification by the National Board for Professional Teaching Standards, Board on Testing and Assessment, Division of Behavioral and Social Sciences and Education, National Research Council, 2008-09-18 The mission of the National Board for Professional Teaching Standards NBPTS is to establish high and rigorous standards for what teachers

should know and be able to do to certify teachers who meet those standards and to advance other education reforms for the purpose of improving student learning in American schools In response to a request from the U S Congress the National Research Council developed a framework for evaluating programs that award advanced level teacher certification and applied that framework in an evaluation of the impacts of the NBPTS Specifically this book addresses the impacts on students teachers and the educational system in this country Assessing Accomplished Teaching finds that teachers who earn board certification are more effective at improving their students achievement than other teachers but school systems vary greatly in the extent to which they recognize and make use of board certified teachers Many of the questions on the evaluation framework could not be answered because the data have not been collected and the report makes recommendations for the kinds of research that are needed to fully evaluate the impacts of board certification by the NBPTS      **Navigating**

**Certification** Bobbie Faulkner,2021-02-15 This book explains summarizes and interprets the National Board for Professional Teaching Standards new Maintenance of Certificate MOC process The MOC process replaces the former renewal process for National Board Certified Teachers who want to maintain their certification beyond its original expiration date MOC explores the teacher s professional growth since the time of original certification or one s last renewal The book covers the scope of the process from beginning to end Candidates will learn about the two Components they ll complete developing their Professional Growth Experiences PGE connecting their video to a PGE writing in the National Board style and how to most efficiently use their instructions The book explains and interprets the prompts candidates respond to show they have remained an accomplished teacher      **Assessing Accomplished Teaching**
