Caitlyn Jenner
Ashley Thompson, 2016-11-26

Caitlyn Jenner, formerly known as Bruce Jenner, is an American television personality and retired Olympic gold medal winning decathlete. Jenner was a college football player for the Graceland Yellowjackets before incurring a knee injury requiring surgery. Coach L.D. Weldon, who had coached Olympic decathlete Jack Parker, convinced Jenner to try the decathlon. After intense training, Jenner won the 1976 Olympics decathlon title at the Montreal Summer Olympics, gaining fame as an all-American hero. Jenner set a third successive world record while winning the Olympics. The winner of the Olympic decathlon is traditionally given the unofficial title of world's greatest athlete. With that stature, Jenner subsequently established a career in television, film, writing, auto racing, business, and as a Playgirl cover model. Jenner has six children from marriages to ex-wives Chrystie Crownover, Linda Thompson, and Kris Jenner. Since 2007, Jenner has appeared on the reality television series *Keeping Up with the Kardashians* with Kris, their daughters Kendall and Kylie Jenner, and step-children Kourtney, Kimberley, Khloé, and Rob Kardashian. Previously identifying publicly as male, Jenner revealed her identity as a trans woman in April 2015, publicly announcing her name change from Bruce to Caitlyn in a July 2015 *Vanity Fair* cover story. Her name and gender change became official on September 25, 2015. She has been called the most famous openly transgender woman in the world. From 2015 to 2016, Jenner starred in the reality television series *I Am Cait*, which focused on her gender transition.

KEEPING UP WITH THE KARDASHIANS Kim Kardashian, Kris Jenner, Kylie Jenner, The Kardashians 4 Great Books in 1

Kim Kardashian: Love them or hate them, there is no discussion of the phenomena of modern celebrity without its apex creatures, the Kardashian family. The Kardashians are exceptional in every sense of the word. A non-traditional, racially diverse, blended family from immigrant stock, they are also spearheaded and moved by empowered women with limited education. How this brood turned the proverbial 15 minutes of fame into 15 fabulous years of that plus

staggering fortune is practically a fairy tale This is lightning in a bottle especially for reality TV stars whose initial ambiguous claims to fame were links to a 1970s sports icon a 1990s murder trial and a 2007 starlet sex tape The once unconventional family name has since become an unforgettable global brand monetized by its members into various forms into a collective valuation of well over one billion dollars And the journey all began with Kim Kim Kardashian Superstar Superstar does not even begin to cut it What she eventually became was a constellation of superstar This is her story Kris Jenner This is Kris Houghton Kardashian Jenner or whatever incarnation she chooses to go by these days With everything she has achieved she could be anything But before she got here she was Kris Houghton beautiful teen from a broken family on the lookout for a better life and seeing it linked to securing a good husband She was Mrs Robert Kardashian high school graduate suddenly swept off her feet and into the halls of the powerful popular and wealthy and expected to play the part of Beverly Hills homemaker to the hilt She was Mrs Bruce Jenner finally able to spread her wings and explore her heretofore undiscovered talents of managing a brand and a business She was the former Mrs Caitlyn Jenner too from when her husband transitioned to a woman and she consequently had to weather the storms as gracefully as possible before the cruel glare of the spotlight and the public eye She now holds pride in her main role of mom and manager momager to her Kardashian and Jenner children through five of whom she is also a loving and indulgent grandmother This is Kris Houghton Kardashian Jenner SELF MADE and all the she had made of herself by herself This is her story Kylie Jenner The Kardashian family has ignited many a national debate on a variety of topics over their more than ten years in the spotlight and on complex issues at that Their prominence has repeatedly raised interesting questions on what it means to be a family on modern day celebrity racial politics female sexuality and gender norms And now with Kylie Jenner's news making Forbes cover the family has stirred the pot again The Kardashians The American Dream are words often uttered with the reverence it deserves It is a collective ethos a defining piece of national character that champions the idea that the individuals of a country regardless of their background would be able to maximize their personal potentials in pursuit of their happiness and success It is a vision of meritocracy where hard work risk taking and gumption is rewarded where everyone has ample opportunity to show and be justly compensated for their abilities determination and daring It is an appropriately new vision for the New World It is a bold revolutionary vision But by its very name The American Dream is just that a dream It is an acknowledgement that reality does not always match the ideal It requires work and protection to continue being upheld But for one family the dream has become a reality
