Answers To The Muslim World Section 3:

A New Beginning for Humankind R. B. Herath, 2012-09 The world is reaching a nuclear tipping point and a catastrophe looms Even the United Nations can't seem to do anything about the threat Given the circumstances people everywhere need to unite to prevent a disaster In this new study peace activist R B Herath explains what's at stake and what everyday people can do to solve the problem Here are some of the questions Herath seeks to answer What are the major violent conflicts in the world today Is there any guarantee that none of the ongoing violent conflicts will deteriorate into a worldwide fiasco If there is no such guarantee what needs to be done to prevent such an eventuality Is there anything more to be done to ensure lasting peace on the planet By taking steps to prevent tension from building up to a tipping point and by building a stronger system of checks and balances it's possible to resolve conflicts at all levels through peaceful means Join Herath as he seeks to change habits that promote war to habits that promote peace in the face of the present troubled state of the world

Evangelical Christian Responses to Islam Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins

[Sharing Lives](#) Bert de Ruiter, 2013-10-12 This book argues that the single greatest hindrance to Christian witness amongst Muslims in Europe is fear Many European Christians fear that Europe will gradually turn into Eurabia or Islamic domination of Europe and they ignore the efforts of Muslims to adapt to the European context a situation pointing to a future scenario of Euro Islam or Islam being Europeanized The author argues that instead of an attitude of fear which leads to exclusion Christians should develop an attitude of grace which leads to embrace After analyzing books and courses developed to help Christians relate to Muslims he concludes that these mostly concentrate on providing information and skills instead of dealing with one's attitude Because of this the author developed a short course to help Christians overcome their fear of Islam and Muslims and to encourage Christians to share their lives with Muslims and to share the truth of the Gospel with the purpose of attracting them to Christ Bert de Ruiter 1958 works with OM Europe as Champion Muslim Ministries in Europe Bert obtained a Master of Arts in World Evangelization and a Doctor of Ministry in Muslim Christian relations During the past 25 years Bert has been ministering in almost 50 countries around the world to help Christians share their lives with Muslims Bert and his wife live in Amsterdam the Netherlands and have two children and one grandchild
