*Conned (An ALIAS Private Witness Security Romance Book 6)* Lisa Hughey ,2025-04-01 His unforgettable one night stand works for his company Jake Brown works for the security branch of ALIAS with a job title no one knows and a client list kept under lock and key In his position when everything he does is supposed to be a secret it's difficult to have an honest relationship He never thought he'd see Zara again until he discovers she works for ALIAS too Her unforgettable one night stand comes to her office Zara Cooper is the new manager of ALIAS's PR branch She might not commit to anything more than a one night stand in her love life but no one can say she's not married to her job and she just landed her dream client a renowned philanthropist and tech billionaire with political ambitions When her dream client turns out to be a nightmare Zara doesn't know where to turn Jake is the only one she trusts to keep her safe even if she doesn't trust him with her heart He's keeping secrets but so is she Jake has never forgotten their night together He'll do anything to protect her even if it costs him everything Note to Readers While not the main focus this book includes themes related to the aftermath of domestic violence

**Billionaire Breakfast Club Box Set** Lisa Hughey,2021-12-20 His Semi Charmed Life They each have a goal From Princess to Pauper Her life wasn't the fairy tale Penelope Hastings expected as a young debutante Camp Firefly Falls is home to her most treasured memories and the place where she got a wake up call from a counselor about how lucky she was The lady farmer and entrepreneur had one weekend to sell her urban garden concept to two CEOs What better place to launch her philanthropy than where her dreams began From Rags to Riches CEO Diego Ramos never wanted to see Camp Firefly Falls again He'd hated his summer as a teenage camp counselor highlighted by one regrettable moment when he'd clashed with an entitled camper The encounter had a profound impact and changed the trajectory of his future Now he's back for a corporate retreat and ready to clinch a merger that will culminate years of hard work and perseverance and make his dreams come true The problem is they can't both succeed Twenty years later Penny and Diego are reunited Their unexpected attraction complicates everything and offers a second chance at happiness One man stands in their way and holds the power to make or break their dreams Who wins and who loses Everything He Wants To help them both their friends set up an interview it was supposed to be simple Former professional football player D Andre Smith has it all Fame Money Women On the outside his life looks perfect He's about to launch a new business venture but he's got a secret that could destroy everything He has no intention of revealing it and being alone is easier than confessing his deepest darkest shame But the first time they meet he's flattened by a powerful attraction Took a hit to the head that leaves him dazed and in serious lust The last woman he should get involved with is a reporter The first time he saw her he wanted her and damn the consequences And then he meets her Heiress Elise Putnam's life is a mess She is searching for purpose after nursing her critically ill mother for years In some Victorian move her father has decided that she needs to get married and carry on the Putnam line When she's granted an interview with the unforgettable D Andre she vows to dig for an explosive story to prove her

investigative chops and gain some independence from her domineering father The last thing she should do is get involved with the subject of her big interview But wow their attraction is potent and magnetic She uncovers D's secret and her heart aches for him She can't write the article The scandal would be the least of his problems and she refuses to hurt him But she's got a secret of her own Sometimes losing it all is the only way to have it all If flirty banter challenging competition heartfelt falling in love with the person who is all wrong but feels so completely right along with a healthy dose of a guy who loves his mama are your jam then Everything He Wants is for you

*Esculpido en piedra* Lisa Hughey, 2013-12-29

Connor Stone siempre ha sido el estrafalario de la familia No era ni el mayor ni el más encantador y ha sido el más pequeño de la casa hasta que una medio hermana se fue a vivir con ellos De joven fue un auténtico demonio Conn sabe que ahora solo puede redimirse con hechos no con palabras y está dispuesto a demostrar de una vez por todas que es digno de pertenecer a la familia Stone Cuando su hermano mayor le pide que se encargue de un asunto por fin tendrá la tan ansiada oportunidad de redimirse pero Ava Stone la secretaria de su hermano corre peligro Entonces tendrá que elegir entre salvar a la chica o proteger a su familia Su elección le traerá el amor o le partirá el corazón

Jean-Francois Blanchette,2012-04-27 An examination of the challenges of establishing the authenticity of electronic documents in particular the design of a cryptographic equivalent to handwritten signatures The gradual disappearance of paper and its familiar evidential qualities affects almost every dimension of contemporary life From health records to ballots almost all documents are now digitized at some point of their life cycle easily copied altered and distributed In Burdens of Proof Jean Fran ois Blanchette examines the challenge of defining a new evidentiary framework for electronic documents focusing on the design of a digital equivalent to handwritten signatures From the blackboards of mathematicians to the halls of legislative assemblies Blanchette traces the path of such an equivalent digital signatures based on the mathematics of public key cryptography In the mid 1990s cryptographic signatures formed the centerpiece of a worldwide wave of legal reform and of an ambitious cryptographic research agenda that sought to build privacy anonymity and accountability into the very infrastructure of the Internet Yet markets for cryptographic products collapsed in the aftermath of the dot com boom and bust along with cryptography s social projects Blanchette describes the trials of French bureaucracies as they wrestled with the application of electronic signatures to real estate contracts birth certificates and land titles and tracks the convoluted paths through which electronic documents acquire moral authority These paths suggest that the material world need not merely succumb to the virtual but rather can usefully inspire it Indeed Blanchette argues in renewing their engagement with the material world cryptographers might also find the key to broader acceptance of their design goals
