**Beyond Busyness** Stephen Cherry,2013-02-12 A book specially written to help you give up busyness in just one hour and get your life back Following the success of his previous book Beyond Busyness Time Wisdom for Ministry Dr Stephen Cherry has distilled the essence of Time Wisdom into this bite sized book essential for anyone seeking to restore some balance in their busy life

**Beyond Busyness** Stephen Cherry,2012-08-01 Connecting the reality and experience of time with the demands and realities of ministry today this book helps ministers to take positive steps towards navigating the very considerable time pressures that many face today

*The Dark Side of the Soul* Stephen Cherry,2016-02-25 In The Dark Side of the Soul the author explains and illustrates the Seven Deadly Sins with contemporary examples Sin is an old fashioned word for some startlingly contemporary problems Far from being about trivial naughtiness or seedy self indulgence it's about the financial scandals that have rocked our world and most of the ills that beset us today In clear and accessible language Cherry shows that the traditional Christian concept of sin is a vital tool in understanding what is wrong with human beings Far from leading people into a guilt trap sin is a healthy and truthful word that can help to set us free Human beings are neither intrinsically evil nor congenitally inclined to virtue but many of the problems and predicaments that trouble us today can be better understood and more effectively resolved if their deeper roots are taken into account In this fresh interpretation the author shows that for example our economic problems and our fixation on financial criteria in decision making can be understood through the twin lenses of avarice and lust Our obsessive busyness is a manifestation of sloth and our desire to control and our perfectionism are outworkings of spiritual pride Crucially although sin is an important and necessary word for people to understand and come to terms with it is never in the Christian worldview the last word

**Beyond the Screen** Andrew Zirschky,2015-12-15 It's no secret that teenagers are perpetually connected via social media and mobile devices but while we've analyzed as a culture how youth are connecting we've done less well at understanding why teenagers are drawn to the glow of the screen Beyond the Screen explores the reality that teenagers use these technologies in desperate bid for an intimacy and depth of relationship largely absent from face to face society and the church Employing the latest ethnographic research on youth and digital media in tandem with theological reflection and interviews with teens themselves author Andrew Zirschky provides a deeper glimpse into the world of teens and social media and gives new direction and directives for ministering to Millennials
