Dark Citadel Cherise Sinclair, 2013-04-13 Cherise Sinclair has written a highly erotic emotional roller coaster story that drew me in and held me captive throughout the story Fallen Angel Reviews BOOK DESCRIPTION After Kari breaks up with her date during Beginner's Night at Club Shadowlands she's given the option to continue with an experienced dominant. Despite her steamy fantasies about BDSM the inexperienced schoolteacher plans to simply observe. Yet under the unyielding hands of Master Dan she not only participates but gives him everything he asks for. There is nothing she can hide from him. Not her passion or her love. Still mourning the death of his wife Master Dan avoids getting involved with women and he never takes a sub twice. But this modest little beginner is such a sweetie one night is far from enough. As he plumbs her responses taking her ever deeper into the world of BDSM the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together the teacher will learn to submit can she teach the master to love? PRAISE FOR DARK CITADEL It's amazing to me how some authors in just a few pages can suck you so far into a story you come out the other end feeling like you just ran a marathon. For me Ms Sinclair is one of those authors. She takes you into a world that not a lot of us really know that much about and the way that she describes and walks you through it makes you feel like you are there. She has become one of my auto buy authors.
