Breaking The Code Participants Understanding The Of Revelation:

Breaking the Code - Participant's Book Bruce M. Metzger, 2006 The book of Revelation contains passages of great beauty and comfort as well as passages that strike the casual reader as bizarre bewildering and sometimes frightening How are readers today to discern God's message in this peculiar part of the Bible Breaking the Code provides a trustworthy guide to the rich symbolism of this important biblical book Noted biblical scholar Bruce M Metzger presents the fruits of solid scholarship in a nonacademic style Breaking the Code serves as a key for understanding this powerful and puzzling book from the first century of the Christian Era The Bible from Scratch Donald L. Griggs, 2003-03-31 Well known educator Don Griggs has written an accessible easy to understand overview of the Bible for adults who have or fear they have little or no Bible knowledge In two volumes one each for the Old and New Testaments Griggs guides us through the Bible and introduces basic tools and skills for Bible study Donald L Griggs popular volumes The Bible from Scratch The Old Testament for Beginners and The Bible from Scratch The New Testament for Beginners present basic themes histories personalities and meanings of the Bible A leader's guide and participant section are included for each book making each volume an excellent resource for group or individual study *THE HONOR CODE Why Rebels Stay Broke and Submitted Souls Get Promoted* Dr. Mishael Carson, 2025-11-11 Why do some believers with modest gifts experience exponential promotion while others with extraordinary talent remain perpetually stuck The answer lies in a spiritual principle operating with mathematical precision beneath the surface of success and failure what this book calls The Honor Code After decades of ministry across three continents Dr Mishael Carson has witnessed a consistent pattern that Western culture refuses to acknowledge Rebels stay broke Submitted souls get promoted This isn't about blind obedience or enabling toxic leaders It's about understanding a spiritual law as binding as gravity God's governmental order rewards honor and resists rebellion In THE HONOR CODE you'll discover Why eight year old Josiah became Judah's greatest reformer king How David's restraint when he could have killed Saul positioned him for the throne What happens when believers challenge God's appointed leadership it's not pretty Why Jesus submitted to baptism by His inferior John the Baptist The Fifth Commandment's explosive promise that unlocks generational blessing How to honor imperfect authority without compromising integrity The Daniel Model for righteous civil disobedience Through seven explosive biblical case studies and practical implementation frameworks this book reveals how to crack The Honor Code in your Family Breaking generational curses through honor Church Navigating spiritual authority without abuse Workplace Positioning for promotion through excellence Government Maintaining respect while resisting evil Fair warning This message will offend some readers If you're looking for validation of your rebellion or permission to dishonor toxic parents close this book now But if you're tired of hitting invisible ceilings and ready to understand why your gifting hasn't translated to breakthrough THE HONOR CODE will revolutionize how you view authority and unlock the destiny that's been waiting for your submission The rebels around you will stay broke You're about to get promoted **99**
