## **Breaking The Mould Prose Series:**

**Embracing Serafina** Penny Petrone, 2000 This book moves with compelling energy from the forests of north western Ontario to the capitals of Europe to the tribal villages of Africa and from there to South America China and into the mysterious world that existed behind the Iron Curtain when few Westerners dared or got the chance to visit there It is an absorbingly personal document with the power not only of insight and innocence but of deeply conveyed sensuality toward sun and seawater and mountain air the music and hustle of cafes and cantinas the tastes and smells of exotic kitchens and markets There is an urgency here bred of complex desires and a craving for experience and knowledge Through her search Petrone reveals not just the graces but the hard edges and uncertainties of a woman s ventures into foreign landscapes and into the foreboding terrain of the self *Canadian Books in Print. Author and Title Index*, 1975 *The Cumulative Book Index*, 1996 A world list of books in the English language *Canadian Books in Print*, 2003 **Stained Glass** Concetta Principe, 1997 In Montreal in the spring of 1990 a woman named X falls in love with Christophe a sometimes poet fifteen years her senior As the political climate intensifies through the summer months their relationship devolves into silence and her emotional stability begins to weaken By the fall she loses all grip on reality when circumstances reveal that Christophe the man she loves is not who she believed him to be Her recourse is to retreat inwards to the heart of a metaphorical hell

**Canadian Book Review Annual**, 1996 **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Breaking the Mould** Penny Petrone, 1995 *Virginia Woolf: Critical responses to the short stories, sketches and essays, feminist treatises and biographies* Eleanor Jane McNees, 1994 **More Books** Boston Public Library, 1947 **Doris Lessing Newsletter**, 1995 **Literary Gent** David Higham, 1978 *The Aligarh Journal of English Studies*, 1982 **Books from Finland**, 1994 *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures*, 1999 *Books in Print Supplement*, 1994 **American Book Publishing Record**, 1996-05 **The Saturday Review of Politics, Literature, Science and Art**, 1910 **The Book of the Thousand Nights and a Night** Leonard Charles Smithers, 1894 **The English Novel** George Saintsbury, 1913 It is somewhat curious that there is so far as I know no complete handling in English of the subject of this volume popular and important though that subject has been Dunlop s *History of Fiction* an excellent book dealt with a much wider matter and perforce ceased its dealing just at the beginning of the most abundant and brilliant development of the English division Sir Walter Raleigh s *English Novel* a book of the highest value for acute criticism and grace of style stops short at Miss Austen and only glances by a sort of anticipation at Scott The late Mr Sidney Lanier s *English Novel and the Principle of its Development* is really nothing but a laudatory study of George Eliot with glances at other writers including

violent denunciations of the great eighteenth century men There are numerous monographs on parts of the subject but nothing else that I know even attempting the whole I should of course have liked to deal with so large a matter in a larger space but one may and should cultivate the garden even if it is not a garden of many acres in extent I need only add that I have endeavoured not so much to give reviews of individual books and authors as to indicate what Mr Lanier took for the second part of his title but did not I think handle very satisfactorily in his text I may perhaps add without impropriety that the composition of this book has not been hurried and that I have taken all the pains I could by revision and addition as it proceeded to make it a complete survey of the Novel as it has come from the hands of all the more important novelists not now alive up to the end of the nineteenth century
