Exploring Meinong's Jungle and Beyond Richard Routley, 2019-02-15 In this first volume of The Sylvan Jungle the editors present a scholarly edition of the first chapter Exploring Meinong's Jungle of Richard Routley's 1000 plus page book Exploring Meinong's Jungle and Beyond Going against the Quinean orthodoxy Routley's aim was to support Meinong's idea that we can truthfully refer to non-existent and even impossible objects like Superman unicorns and the infamous round square cupola on Berkeley College The tools of non-classical logic at Routley's disposal enabled him to update Meinong's project for a new generation This volume begins with an Introduction from Dominic Hyde The Jungle Book in Context an essay that situates Exploring Meinong's Jungle and Beyond historically We provide the original Preface by Routley followed by Chapter 1 Exploring Meinong's Jungle and Beyond In Chapter 2 Nicholas Griffin argues that Sylvan's project was insufficiently radical with his essay Why the Original Theory of Items Didn't Quite Go Far Enough Sylvan revisits his position from this time in Chapter 3 with his article Re Exploring Item Theory Filippo Casati who has worked in the Routley Archives then takes up the question of the future of Sylvan's research program in his essay The Future Perfect of Exploring Meinong's Jungle Iconic and iconoclastic Australian philosopher Richard Routley n Sylvan published Exploring Meinong's Jungle and Beyond in 1980 This work has fallen out of print yet without great fanfare it has influenced two generations of philosophers and logicians **Beyond Guns and Steel** Dominic J. Caraccilo, 2011-01-19 This work is a doctrinal examination of war termination strategy and conflict resolution as a dependent pair requiring a plan to achieve both in unison in advance of a fight The necessity of a plan for conflict resolution should be intuitively obvious for policymakers yet a survey of recent conflicts including Afghanistan and Iraq shows that not to be the case Beyond Guns and Steel A War Termination Strategy provides a practical approach to establishing a plan for war termination and conflict resolution before the bullets fly In

explaining the difference between strategy and policy Colonel Dominic J Caraccilo clarifies the most important and often the most constraining element of a nation's power its resources He posits that termination strategy and conflict resolution are interdependent and need to be included in conflict plans from the outset Caraccilo's book fills a void in current strategy for the development of long term plans that bring conflicts to timely and acceptable conclusions providing a methodology that allows interagency requirements and resources for war termination to be defined allocated and employed effectively The Source Book for the Life of Christ, 1919 **An illustrative Scripture reference book for preachers and teachers** George Seaton Bowes, 1895 **Reference-book of practical therapeutics v. 2, 1897** Frank Pierce Foster, 1897 The Civil Engineer's Reference-book John Cresson Trautwine, 1882 *Sourcebook in the History of Philosophy of Language* Margaret Cameron, Benjamin Hill, Robert J.
