Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride    **Jewish Child Bulletin** ,1929    *Getting to Know God* Sheila Seifert,Beth Naylor,2006-04-21 God is pleased when His children seek to know Him But who is He What is He like In Getting to Know God kids learn seven names of God and what those names describe about His character Fun hands on stories and activities teach children lessons about God that will last a lifetime Guaranteed effective because its principles and methods of instruction are teacher tested and kid approved Interactive hands on stories and Scriptures13 weeks of complete programming for ages 6 11Includes reproducible take home papersIn depth Bible teaching and real discipleship without hours of preparationRecruit older elementary or teen helpers fewer adults requiredTeach multiple ages in one classroom
