In return for a business loan of 50 million yen the prestigious Kamiya family gave their daughter Haine away to the Otomiya family. Haine now an Otomiya is appointed to the student council of the exclusive Imperial Academy a private school for the aristocracy. Even though Haine is of proper lineage to be on the council she finds

herself struggling to find her place among the many secrets of its elite members especially those of the president who holds her heart Shizumasa Togu aka the Emperor Haine has been in love with Shizumasa Togu since she read the fairy tale he wrote as a child However the Emperor is so well sequestered by the student council that she hasn't been able to speak to him in the three months she's been at the academy And as rumor has it he already has a lover [Identity Politics and Popular Culture in Taiwan](#) Hsin-I Sydney Yueh,2016-12-07 In the past two decades a uniform representation of codified femininity prevails in the Taiwanese media evidenced by the shift of Taiwan's popular cultural taste from a Chinese centered tradition to a mixed absorption from neighboring cultural capitals in the global market This book argues that the native term sajiao is the key to understand the phenomenon Originally referring to a set of persuasive tactics through imitating a spoiled child's gestures and ways of speaking to get attention or material goods sajiao is commonly understood to be women's weapon to manipulate men in the Mandarin speaking communities By re interpreting sajiao as a feminine tactic or the tactic of the weak the book aims to propose a feminine framework in exploring identity politics in the following three aspects the rising obsession with the immature female image in Taiwan's popular culture the adoption of the feminine communication style in native speakers everyday language and interactions and the competing discourses between dominant subordinate central peripheral global local and Chinese Taiwanese in shaping the identity politics in current Taiwanese society The micro analysis of everyday language politics leads the reader to examine layers of discourse about gender identity and communication and finally to inquire how to situate or categorize Taiwan in area studies The feminine framework is a useful theoretical tool that not only deconstructs everyday communication practice but also provides a bottom up alternative angle in analyzing Taiwan's role in political economic and cultural flows in East Asia The massive imports of popular cultural products in the late 80s mainly from Japan fermented the kawaii Japanese cute type of femininity in regulating everyday communication and the perception of gender roles in Taiwan The popularity of the baby like female image is concurrent with the simmering debate on Taiwanese identity Taiwan offers a unique perspective for observing identity politics because it still holds an undetermined status in the international community The collective uncertainty about the island's future and the diminishing voice in the international society become the backdrop for the growth of defining interpreting and appropriating sajiao elements in the popular culture This book offers an in depth examination of the interplay among local historical contexts cross border capitalist exchange and everyday communication that shapes the dialogism of Taiwanese identity
