*Violent No More* Michael Paymar, MPA, 2011-02-15 The author guides readers through the process of recognizing abusive behaviors taking responsibility for them and learning to express anger without violence This new edition includes updated resources additional exercises and guidelines for men of different cultural and ethnic backgrounds

**Abuse of Older Men** Jordan I. Kosberg, 2014-01-02 Learn the causes of and consequences from elder abuse of men For the most part often only women are considered the victims of elder abuse However men are also subject to this disturbing social problem **Abuse of Older Men** examines the diverse aspects of this surprisingly widespread issue that includes sexual abuse abuse by intimates and benign neglect in the health care field as well as effective treatment strategies This unique resource provides the latest research and crucial discussions of why the problem is often invisible under studied and under treated Detailed explorations include risk assessment differential detection of abuse of one gender over the other the risk of abandonment economic exploitation and the issues of older men who had been abused in childhood In the past elder abuse literature has quite correctly mainly focused on the abuse of women

who represent the majority of older persons Abuse of Older Men expands the discussion of this distressing social challenge to include the other gender reviewing the different types of abuse and the reasons why it is not readily apparent in today's society This compelling text examines in detail the causes and consequences of elder abuse of men The under reporting of abuse is addressed along with suggestions on ways to better approach various problems This insightful resource is extensively referenced and provides tables to clearly present data Issues discussed in Abuse of Older Men include intimate partner abuse perpetrated against older men sexual abuse of older men in nursing homes the impact of gender on the reporting of elder abuse neglectful aspects of osteoporosis in older men past relationships that increase the risk of the neglect of older fathers news accounts that report the frequency and types of abuse against men identifying and treating victims societal forces that affect older men's risk of mistreatment recommendations for structuring services to better meet victims' needs the social construction of manhood as an important factor in understanding the abuse of older men Abuse of Older Men provides crucial information practitioners educators researchers and students in social work nursing medicine law gerontology adult protective services criminal justice sociology psychology domestic violence counseling ethics public policy and aging networks

*Unclenching Our Fists* Sara Elinoff Acker, 2013-11-15 This book features eleven first person stories of men from diverse class and racial backgrounds who have made a long term commitment to end their physical and emotional abuse and controlling behaviors These men speak frankly about the abuse they inflicted on their families what it took to get them to face themselves and how they feel about the damage they have caused All participated in violence intervention programs some for as long as ten years To put a face on violence and to encourage activism for reform most of the eleven have allowed their photos and real names to be used in the book Surrounding this material are chapters that provide context about the disputes among researchers about whether batterer intervention programs work only a small number of batterers renounce their abuse and chapters that address the reactions of partners to these stories When the Man You Love is Abusive is designed to caution women not to be manipulated by accounts of change and to outline the stages men need to pass through in the long process of becoming accountable The Last Word Voices of Survivors ends the book with a focus group discussion in which former abuse victims and advocates respond candidly to the men's stories

**Men Also Get Abused** Peter Morrison, 2022-04-24 In a world where domestic abuse is sadly a reality men are hardly seen as victims despite the rise of abuse against men In MEN ALSO GET ABUSED we will delve into the world of men and see the ways in which they get abused and why the society seem not to be giving it much attention In Men also get abused we will discover The types of abuse men face Symptoms of a man being abused What to do if you find yourself in an abusive relationship How to move on And so much more To get the information loaded in this book click Buy Now and add to your knowledge

**The Samoa Family Health and Safety Study**, 2007 [Violent No More](#) Michael Paymar, 2015-01-27 Violent No More is for men who have struggled with or are currently being violent in an intimate relationship Filled with real stories of men who have harmed

the ones they love and found the courage to change this highly acclaimed book has helped thousands acknowledge and reform their abusive behavior Author Michael Paymar doesn't sidestep the unpleasant reality of domestic violence included here are the sometimes shocking first person accounts of violent men along with those of battered women More importantly many of these stories illustrate the ways in which men were able to stop their use of violence and control This edition contains four new chapters which address the challenges faced by practitioners who work with domestic violence offenders or victims and the particular struggles faced by combat veterans returning from war many of whom come home with PTSD and other mental health issues With group exercises and individual goal setting plans to help men find healthy ways of responding to conflict change the cultural conditioning that condones violence and avoid reverting to old patterns Violent No More is an essential guide for men dealing with violence issues as well as for the professionals who assist in their efforts to improve

What about Us, We Are Victims Too! Krystie Love, 2018-10-03 WHAT ABOUT US WE ARE VICTIMS TOO We are MEN Men Who Are Victims Of Domestic Violence Did you know that men are victims of domestic violence Over the years victims of domestic violence have been what society has stereotyped as women who are abused by their intimate partner Many resources shelters counseling and crisis hotlines etc have traditionally been geared toward women and not men If a woman calls a shelter for emergency housing she will more than likely be housed however if a man calls that same shelter he may be laughed at made fun of ridiculed or simply labeled as the abuser After all how can a strong man be abused by a defenseless woman Many men tend to ask WHAT ABOUT US WE ARE VICTIMS TOO And they are right men are being abused by their intimate partner in startling numbers and have been for years If you are a man or know a man who may be in an abusive relationship then this book is for you If you are in a relationship and think you man or woman are abusive or the potential to be abusive to your intimate partner then this book is for you This book looks at domestic violence from a man's perspective This book will help the man identify if he is in an abusive relationship options available to the man where the man can find help worldwide and more
