Academy Sports Kayaks:

The Journey Thomas Herrington, 2010-11 Life is more than a destination Every life has a beginning and an end but it is what transpires between these two points that defines the person and changes those he comes in contact with Jesus life serves as an example of a life lived truly lived where in every moment He embraced the divine appointments along the pathway before Him One day Jesus headed to the Gerasenes to share God s love but on the way a possessed man was set free a woman with a chronic illness was healed a girl was raised from the dead and a family was forever changed This day had no agenda no three ring binder of to do lists and yet every step of the way was an appointment to bring Heaven to the broken and bring glory to God The same is true with us Every moment is a divine opportunity to see God at work God seeks to capture us to have us fully aware that each step each breath is intertwined with His will He wants us to listen to learn and to serve Him every moment The pages of this book will speak to you and encourage you to acknowledge the lessons from God that are all around and to remind you that God s purpose is fulfilled in each step of your life on **The Journey**

The Hotel Intrepid Leo Peterson, 2024-05-18 Astrid Sinclair has always been the peacemaker who never rocked the boat and after nearly thirty years of living a lie she finds herself alone trying to piece her life back together again Ty Machesney is rich bold and adventurous He sweeps Astrid off her feet when her old world finally comes crumbling down around her It seems as if he and his friends are all cut from the same bolt of cloth but they have secrets Should Astrid trust Ty or rely on her family and friends to pick up the pieces of her shattered life With the city of Atlanta as the background where opulence and prestige are currency human trafficking seems to be the unspoken article of trade How will Astrid navigate her future where everyone seems to be in it for themselves and where decisions are made based on social mobility and politics
