The UCI Undergraduate Research Journal , 1998 *Conspicuous Criticism* Christopher Shannon, 2006 Originally published in 1996 and newly revised *Conspicuous Criticism* is a ringing defense of the need for religion and tradition in contemporary society Writing with moral passion and critical verve Christopher Shannon offers a convincing indictment of the forces that isolate the individual in modern capitalist society and counters more than a century of efforts by modern intellectuals to displace tradition in favor of a humanism that actually diminishes humanity in the name of freeing its potential Featuring in depth analyses of the works of John Dewey Thorstein Veblen C Wright Mills and others *Conspicuous Criticism* is a call to reinstate traditional relations to God nature and the common good Scholars in fields from American studies to intellectual history will be forced to grapple with Shannon s trenchant critique which is well on its way to becoming a classic of Christian thought *Conspicuous Criticism*

Applying Ethics Jeffrey Olen, Vincent E. Barry, 2002 This best seller combines text readings and cases to provide an outstanding introduction to moral philosophy engaging students in the most perplexing issues of our time without sacrificing philosophical integrity Numerous readings by philosophers and writers and contemporary case studies make chapter topics lively centerpieces for discussions Each chapter begins with the author's presentation of the topic and is followed by readings with brief introductions This is then followed by cases that enhance the application of concepts to the real world Both readings and cases are followed by Questions for Analysis Women and International Human Rights Law Doreen M. Koenig, 1999 Cohen Ethics Barbara MacKinnon, 2001 Combining theory and issues with text and readings this ethics text begins with coverage of ethical theory utilitarianism Kant's moral theory natural law and virtue ethics It then goes on to discuss contemporary ethical issues ranging from personal ones such as sexual morality and euthanasia to matters of public policy such as legal punishment and international concerns such as war and peace and economic justice **The Utne Reader**, 1997 **Taking Sides : Clashing Views on Moral Issues** Stephen Satris, 2008 *Historical and Multicultural Encyclopedia of Women's Reproductive Rights in the United States* Judith A. systems The primary focus is on Canada and the United States although Ireland and Germany are also examined in some detail Women Under the Law will be of interest to academics students and legal practitioners in the fields of human rights law constitutional law discrimination law labour law and family law The strong political and social implications of the human rights debate will also ensure a significant readership for the book among academics and students of social policy women s studies sociology and politics *Taking Sides Moral Issues* Stephen Satris,2003 A debate style reader provides an introduction to each moral issue covered followed by two arguments presenting opposing viewpoints on the topic **Taking Sides** Stephen Satris,2002 Contains nineteen pairs of essays that present opposing viewpoints on issues of morality and moral philosophy discussing feminism abortion human cloning affirmative action the legalization of drugs animal rights and other topics **Women's Studies Index, 1998** G.
