Abortion Global Viewpoints:

Global Perspectives on Reproductive Rights and Policies Pucelj, Maja, Matusiak-Frącczak, Magdalena, 2024-11-29

Reproductive rights and policies seek to balance different human rights ethics and morals as well as technology. At the same time, they concern probably the most intimate sphere of human life. Issues related to reproductive rights are the subject of intensive public debate in which not only politicians but also many nongovernmental organizations (NGOs) and even religious groups take part. All of these actors present essential arguments which should be taken into account when discussing reproductive rights. *Global Perspectives on Reproductive Rights and Policies* comprehensively examines reproductive rights as an essential component of human rights. It offers an in-depth analysis of legal frameworks as well as the ethical implications and societal consequences associated with these rights. Covering topics such as abortion policies, legal frameworks, and women's rights, this book is an excellent resource for researchers, academicians, legal professionals, healthcare professionals, ethicists, policymakers, international organizations, and NGOs.

Global Perspectives on

Women's Sexual and Reproductive Health Across the Lifecourse Shonali Choudhury, Jennifer Toller, Eralyn Quin, Mellissa Withers, 2017-09-19

This expansive survey spotlights pervasive issues affecting girls and women's sexual and reproductive health across the lifecourse. Research from diverse countries around the world analyzes the complex relationships among biological, psychological, sociocultural, and economic issues, particularly in terms of inequities as they shape women's lives. Major challenges and possibilities for intervention are examined in their national context and with their global implications, including child marriage, motherhood, reproductive care and access, fertility, childbearing, contraception, abortion, HIV, STIs, gender-based violence, sexual pleasure, and menopause. In these forceful dispatches, a consistent human rights perspective emphasizes women's control, autonomy, and agency in all stages of their lives. A sampling of topics covered: Girl child marriage, a persistent global women's health and human rights violation; Investigating challenges and resilience among women living with obstetric fistula in Kenya; A qualitative exploration of mainstream and social media reflections on abortion; A continuum of severity of sexual intimate partner violence among black women in the United States; Economic empowerment to improve sexual and reproductive health among women and girls. Summarizing an interdisciplinary field on research and practical levels, *Global Perspectives on Women's Sexual and Reproductive Health Across the Lifecourse* will be an invaluable text for undergraduate and graduate courses in a wide range of fields, including public health, global health, women's studies, sociology, anthropology, gender studies, and human rights.

The Sociocultural and Political Aspects of Abortion Alaka Basu, 2003-01-30

Seeking to define the ways various cultures view pregnancy, miscarriage, and abortion, this multidisciplinary collection of essays seeks to illustrate how these views influence policy decisions and practices regarding abortion around the world. Putting questions of pro life and pro choice aside, the contributors provide demographic coverage of the issues involved and contextualize some of the personal realities that underlie the approximately 50 million abortions that are

believed to take place yearly worldwide While the political and social climates in which women seek abortions vary from place to place many of the chapters try to understand the moral implications that guide the decision to end a pregnancy from the perspective of the those who seek to do so Focusing primarily on developing nations this important contribution to the literature on abortion provides readers with a careful overview of the different meanings attached to abortion depending on the cultural social and political climate Areas covered include Tanzania Bangladesh West Africa Ghana Romania Russia Mexico and Nigeria General chapters on induced abortion demographic research and abortion policy and social pressures to abort are also included This unique approach to the study of abortion will contribute to a greater understanding of a prominent social issue

Global Perspectives on the Health Inequities in Sexual, Reproductive, and Maternal Health Post Roe v. Wade Lucy Ingram, Deborah L. Billings, Ndidi Amutah-Onukagha, Andrea Swartzendruber, Chelsea

Morroni, Stephen Kennedy, Ana Langer, Supriya Dinesh Mehta, Janet Seeley, 2024-10-07 In June 2022 the United States U S Supreme Court overturned Roe v Wade 1973 with the Dobbs v Jackson Women s Health Organization case thereby eliminating the constitutional right to abortion As a result authority now resides with individual states to regulate abortion access Currently abortion is banned in several states severely restricted in some and protected in others While the impact of the Dobbs decision has yet to be fully realized it has severe implications for sexual and reproductive health rights and justice population health and health equity nationally and globally The impact of the ruling is expected to exacerbate existing health disparities and produce new inequities in sexual reproductive and maternal health outcomes disproportionately affecting pregnant people who are already minoritized or disenfranchised e g people of color people with low incomes young people people living in rural areas immigrants people who identify as LGBTQIA justice involved and unhoused communities living in states where abortion access has been banned or restricted This Research Topic aims to elucidate actual short term potential long term global and domestic health inequities produced by the Dobbs decision and to describe efforts and interventions designed and undertaken to reduce health impacts and inequities in advance or directly after the decision Recent data from countries that have restricted access to abortion over the past 30 years reveal that such laws actually increase rates of unsafe abortion which in many instances leads to pregnant people becoming severely ill or dying from preventable causes In an era of maternal health crisis for people of color in the U S and other disadvantaged populations around the world eliminating the constitutional right to abortion in the U S will have a reactionary impact on underserved and minoritized groups everywhere The implications will be felt globally as the Dobbs decision has triggered the development of restrictive policies increasing inequalities by social and demographic characteristics Many groups disproportionately experience social disadvantage yielding socially distributed negative exposures including severely limited access to care The goal of the article collection is to identify threats to results of and protections against inequities in reproductive health rights and justice Devoting a Special Issue to this topic brings vital and robust discourse about reproductive justice and health inequity to the

forefront of public health Global Perspectives on Constitutional Law Vikram Amar, Mark V. Tushnet, 2009 The authors introduce students to the various ways that nations other than the United States resolve contemporary constitutional questions Covering both structural issues and individual rights each chapter presents foreign case materials on a particular topic comparing U.S. and other nations' laws **International Family Planning Perspectives**, 2004 The Routledge Handbook of Anthropology and Reproduction Sallie Han, Cecília Tomori, 2021-11-09 The Routledge Handbook of Anthropology and Reproduction is a comprehensive overview of the topics, approaches, and trajectories in the anthropological study of human reproduction. The book brings together work from across the discipline of anthropology with contributions by established and emerging scholars in archaeological, biological, linguistic, and sociocultural anthropology. Across these areas of research, consideration is given to the contexts, conditions, and contingencies that mark and shape the experiences of reproduction as always gendered, classed, and racialized. Over 39 chapters, a diverse range of international scholars cover topics including Reproductive governance, Stratification, Justice, and Freedom, Fertility, and Infertility, Technologies, and Imaginations. Queering reproduction, Pregnancy, Childbirth, and Reproductive Loss, Postpartum, and Infant Care, Care, Kinship, and Alloparenting. This is a valuable reference for scholars and upper-level students in anthropology and related disciplines associated with reproduction, including sociology, gender studies, science and technology studies, human development, and family studies, global health, public health, medicine, medical humanities, and midwifery and nursing. International Viewpoint, 2002 The Sociocultural and Political Aspects of Abortion Alaka Basu, 2003-01-30 Seeking to define the ways various cultures view pregnancy, miscarriage, and abortion, this multidisciplinary collection of essays seeks to illustrate how these views influence policy decisions and practices regarding abortion around the world. Putting questions of pro life and pro choice aside, the contributors provide demographic coverage of the issues involved and contextualize some of the personal realities that underlie the approximately 50 million abortions that are believed to take place yearly worldwide. While the political and social climates in which women seek abortions vary from place to place, many of the chapters try to understand the moral implications that guide the decision to end a pregnancy from the perspective of those who seek to do so. Focusing primarily on developing nations, this important contribution to the literature on abortion provides readers with a careful overview of the different meanings attached to abortion, depending on the cultural, social, and political climate. Areas covered include Tanzania, Bangladesh, West Africa, Ghana, Romania, Russia, Mexico, and Nigeria. General chapters on induced abortion, demographic research, and abortion policy and social pressures to abort are also included. This unique approach to the study of abortion will contribute to a greater understanding of a prominent social issue. Abortion Alireza Bagheri, 2021-04-13 Rather than providing a global solution to the problem of abortion to abort or not to abort, this volume sheds light on different but equally critical dimensions of abortion in global debate and practice. The aim is to elaborate on different value systems and policies in order to empower individuals to make well-informed decisions about abortion, guided

by moral reflection The twenty one chapters of this volume are written by distinguished scholars in each of the religious and non religious schools of thought offering an exhaustive survey of the differing religious and legal views on abortion within the international community The contributors present authoritative discussions in favor of or against abortion based on their perspectives and practices As a result the content of this book provides a foundational platform for better understanding meaningful dialogue and tolerance on a social issue which has divided individuals philosophers theologians policy makers and legislators within and across societies for centuries

The Greenwood Encyclopedia of Love, Courtship, &

Sexuality Through History: The modern world James W. Howell,2008 Sex and love are central to daily life and to all nations Despite the universality of these sentiments their expression is largely shaped by the cultures in which they occur This set explores sex love and culture around the world and across time

Global Perspectives on Ecology Thomas C.

Emmel,Lieselotte Hofmann,1977 **Accessing Abortion** Rachel Rebouché,Mindy Jane Roseman,2026-02-10 Explores the global landscape of abortion law reform In many countries barriers to abortion access legal cultural or practical have been dismantled in places as diverse as Mexico Kenya Thailand and Ireland Yet in a few countries the United States and Poland to name two obstacles to abortion abound Why Why do some countries find abortion access a publicly polarizing issue and others a relatively uncontroversial health and family decision Why has abortion access been a rallying point for progressive political organizing and in others the site of democratic backsliding In Accessing Abortion expert academics and lawyers look to countries that have passed permissive abortion laws to make visible how legislation both settled and stirred conflict in politically divided environments By comparing the process of enacting laws in these countries the volume spotlights current social mobilization for and against abortion rights At the same time the volume assesses how these varied and comparative national developments unfolded in an international and transnational context where the floor of what countries can do is set by international human rights norms Ultimately this collection aims to show how law and public policy functions to facilitate both permissive and restrictive abortion law reform and how that reform then changes the delivery of abortion services Providing a sustained comparative analysis of the costs and benefits of legislating and or judicializing abortion rights across the globe Accessing Abortion assesses what is missing from contemporary conversations on reproductive justice

Participation and Protest Sarah Henderson,Alana S. Jeydel,2007 Despite increased international rhetoric in support of women s equality women currently comprise a disproportionate share of the world s illiterate poor displaced underpaid underemployed and underrepresented populations And though women have gained visibility and influence in a wide array of political and economic arenas their position and status in society are still far from equal to those of men On the other hand since the post World War II era there has been a global explosion of women s activism on behalf of equality liberation and better living conditions women are standing up not only for themselves but also for other disempowered groups Participation and Protest provides an overview of the ways in which women participate in institutionalized politics social movements and

revolutionary movements It discusses key policy issues that affect women such as equality in the workforce maternity and family leave policies and reproductive rights Exploring the critical concerns that confront women in the world community including economic development war and international law the book analyzes the role of women in nationalist and fundamentalist movements and also considers women's rights in the broader context of international human rights Offering global coverage of this important subject Participation and Protest examines the impact of women in politics and politics impact on women from a cross national comparative perspective

Global Perspectives for Educators Carlos Francisco Diaz, Byron G. Massialas, John Xanthopoulos, 1999 This book offers a logical conceptual framework and categorization system to analyze global issues such as the environment population and nutrition Designed for use by both in service and pre service teachers the book marks a beginning in the development and further refinement of the field of global education Options in curriculum development and activities designed for K 12 students provide practical information to implement global education The strategies in this book will enable the reader to further develop critical thinking skills through a global consciousness Includes chapters with a global perspective on pluralistic teaching 1 curriculum development 3 human rights issues 4 environment energy health and nutrition issues 5 and economics and security 6 For educators who wish to bring a global emphasis to general classroom skills

Taiwanese Identity from Domestic, Regional and Global Perspectives Jens Damm, Gunter Schubert, 2007 The tension between Taiwan's globalization and its ongoing identity formation is clearly visible in the economic political and societal spheres of the island republic Against this background the authors of this volume deal with the following questions To what extent has Taiwan become part of the Greater China region and in that sense a part of China How successful have Taiwan's endeavors been to escape China assert its own identity and communicate this to the international community How does Taiwanese identity connect to its integration within Greater China and beyond that is to its being part of a globalized transnational world The varied focus and range of the papers in this volume show that politically the result of the debate on Taiwan's national identity is undecided economically however Taiwan has become part of a Greater China region and cross Strait integration would thus seem to be inevitable

Global Education Digest, 2010

Abortion Global Viewpoints Introduction

In today's digital age, the availability of Abortion Global Viewpoints books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Abortion Global Viewpoints books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Abortion Global Viewpoints books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Abortion Global Viewpoints versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Abortion Global Viewpoints books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing.

When it comes to accessing Abortion Global Viewpoints books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Abortion Global Viewpoints books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Abortion Global Viewpoints books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Abortion Global Viewpoints books and manuals for download and embark on your journey of knowledge?

FAQs About Abortion Global Viewpoints Books

1. Where can I buy Abortion Global Viewpoints books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Abortion Global Viewpoints book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Abortion Global Viewpoints books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Abortion Global Viewpoints audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Abortion Global Viewpoints books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
