**Summer Baseball Nation** Will Geoghegan, 2020-04-01 The college baseball season doesn't end when the school year is finished. Many of the top NCAA Division I, II, and III baseball players continue to play in one of the game's most unique environments: the summer wood bat leagues. They swap aluminum bats for wood and play from June through August in more than forty states. The poetry of America's pastime persists as soon-to-be stars such as Gordon Beckham, Buster Posey, and Aaron Judge crash in spare bedrooms and play for free on city and college ball fields. *Summer Baseball Nation* chronicles a season in America's summer collegiate baseball leagues. From the Cape to Alaska and a lot of places in between, Will Geoghegan tells the stories of a summer eighteen of the best college players in the country playing Wiffle ball on Cape Cod, the Midnight Sun Game in Alaska, a California legend picking up another win, home runs flying into Lake Michigan, and the namesake of an old Minor League club packing the same charming ballpark. At every stop, players chase dreams while players and fans alike savor the moment.

**Beyond Baseball's Color Barrier** Rocco Constantino, 2021-05-12 A fascinating history celebrating Black players in Major League Baseball from the 1800s through today with special insight into what the future may hold. In *Beyond Baseball's Color Barrier: The Story of African Americans in Major League Baseball Past, Present, and Future*, Rocco Constantino chronicles the history of generations of ballplayers showing how African Americans have influenced baseball from the 1800s to the present. He details how the color line was drawn, efforts made to erode it, and the progress towards Jackie Robinson's debut, including a pre-integration survey in which players unanimously promoted integration years before it actually happened. Personal accounts and colorful stories trace the exponential growth of diversity in the sport since integration from a boom in participation in the 1970s to peak participation in the early 1990s, but also reveal the current downward trend in the number of African American players to percentages not seen since the 1960s. *Beyond Baseball's Color Barrier* not only explores the stories of icons like Hank Aaron, Willie Mays, and Satchel Paige but also considers contributions made by players like Vida Blue, Mudcat Grant, and Dwight Gooden. Exclusive interviews with former players and individuals involved in the game, including the President of the Negro Leagues Baseball Museum, add first-hand expert insight into the history of the topic and what the future holds.
