Accidentally Engaged:

Accidentally Engaged Mary Carter, 2015-05-26 I'm just the messenger Please don't kill me Don't hate me because I'm psychic everybody else already does My name's Clair Ivers and these days my gift seems more like a booby prize It all started when this crazy woman tried to bribe me into skewing a reading to warm her future sister-in-law's cold feet Then the prospective sister-in-law threatened to kill herself at the altar if I didn't give her a phony reading saying she should break off the engagement Oh and did I mention she ran out leaving her three-carat rock of a ring right there on my table So what's an honest woman to do Find the man who belongs to the ring of course And boy have I found him The minute I lay eyes on Jack Heron I know he's the one for me that is The problem is making him realize it once he finds out that I may be responsible for the flight of his fiancée At least his grandmother likes me Of course she thinks I'm someone else And then there's the best man who keeps calling me for dates and stock tips Between the people who think I'm someone else the people who wish I were and the people who just want a bead on the winning Powerball numbers I'm seriously considering packing in my deck for good But not until I throw caution to the wind and make a play for my very own Jack of Hearts
