## **Accidentally Overweight:**

*Accidentally Overweight* Libby Weaver, 2011-09-06 Renowned biochemist Dr Libby reveals the science of weight loss made simple Discover how your body really works and find the tools you need to win the battle of the bulge and to keep your weight off for good Discover what your body needs to achieve permanent weight loss Confused about what's more effective a high carb or high protein diet Are you eating all the right foods and exercising yet still not losing weight Do you do your best with food and movement yet feel like your body has a mind of its own and seems to betray you Do you eat emotionally and wish you could change this Or perhaps you feel and look your best and simply want to learn more about how your fat burning systems work and how to optimise your health If so *Accidentally Overweight* is for you If you want to lose excess weight you need to understand what your body needs to be healthy and to function optimally Find out what role your hormones play in your body shape and size as well as your appetite Discover how digestion impacts your weight How can stress lead to weight gain And why is it important to stop weighing yourself Why do you need to get on top of reflux irritable bowel syndrome blood sugar highs and lows and emotional eating if you want to lose weight Packed full of insights and easy to follow tips *Accidentally Overweight* helps you achieve optimum health

**Accidentally Overweight** Dr. Libby Weaver, 2016-05-01 What leads the human body to get the message that it needs to store fat and what leads the human body to get the message that it needs to burn fat In a dynamic fresh approach to weight loss acclaimed nutritional biochemist Dr Libby Weaver discusses the nine factors that cause us to either lose or gain weight These factors include calories stress hormones sex hormones liver function thyroid function gut bacteria insulin the nervous system and emotions Let's face it for many people it is not a lack of education that leads them to polish off a packet of chocolate biscuits after dinner but their biochemistry and emotions *Accidentally Overweight* explores the role of these two factors in fat storage and optimal wellness *Accidentally Overweight* was born out of the 14 years Dr Libby spent at university her strong scientific background in both nutrition and dietetics and her PhD in biochemistry Libby has thousands of stories about how what she calls the calorie equation how much you eat versus how much you move is not the only determinant of our body shape and size At the end of the day if it was truly as simple as the calorie equation everyone would be trim taut and terrific and there'd be no health consequences because of excess body weight This is not just another diet book it is a life changing way of understanding your body and health

*Accidentally Overweight* Libby Weaver, 2013 **Accidentally Overweight** Libby Weaver, 2010 *Rushing Woman's Syndrome* Libby Weaver, 2017 This book changed my life Not only did it give me a deep respect for my female body but it was the catalyst for helping me build a more balanced life that worked with my hormones Thank you Dr Libby for shedding light on how women need more rest and recovery Every woman needs to read this book Dr Mindy Pelz holistic health expert and best selling author of *Fast Like a Girl* Never before have women been in such a hurry to do so many things for so many people And while the pace of modern life has drastically increased our physical biology has not kept up In this book

nutritional biochemist Dr Libby Weaver explains how a stressful fast paced lifestyle can have concerning consequences for all areas of a woman's health including her Nervous system how an imbalanced nervous system may be fostering body fat increases and disrupting your sleep Stress hormones why adrenal glands in overdrive promote that tired but wired feeling Reproductive system how your daily stresses can affect your menstrual cycle or fertility Digestive system why stress could be at the heart of your bloating cravings or unpredictable appetite Emotions how your emotional landscape holds the key to leading a fulfilling life without the need to rush Inspired by Dr Libby's clinical and personal experiences with women who are struggling this book offers real solutions to restore your wellbeing so that you can stay both productive and healthy **Too**

**Tired to Cook** Audra Starkey, 2019-08-02 Imagine a world where hospitals closed at 5 p.m. where trains and buses stopped at the end of the day and where emergency service calls were directed to voicemail with the setting of the sun Despite our reliance on these services there is very little help and support available to those who deliver them until now In this compelling book Audra Starkey educates her readers on how to mitigate some of the adverse health effects of being awake when everyone else is winding down their day or sleeping Learn how to implement relaxation techniques at the end of a shift instead of relying on medications to fall asleep lose weight and minimise weight fluctuations by focusing not only on what to eat but also when reduce some of the debilitating effects of stress anxiety and depression which can lead to burnout and navigate disruptions to your personal and social life The fact is the world needs people to work 24/7 but if you're one of them you need to stay healthy too Arm yourself with valuable information to nurture your mind body and spirit with the lessons and strategies in Too Tired to Cook **Exhausted to Energized** Dr. Libby Weaver, 2018-03-27 Simple effective strategies to

end exhaustion and boost energy With our modern lifestyles we have come to believe that being exhausted is a normal state of being we don't even remember what feeling rested feels like In Exhausted to Energized nutritional biochemist Dr Libby Weaver shows that exhaustion is not normal nor is it healthy it is a warning sign of imbalance in our lifestyle emotions or body This book reveals the wide range of reasons why you could be feeling so tired which differs from person to person You'll learn to identify the causes of your own fatigue which could be Food The very foods that are supposed to give you energy could actually be depleting you Sleep Why after a long sleep you are still waking up tired Expectations The expectations you place on yourself can be incredibly depleting of your energy Coffee coffee can either help or hinder your energy learn how to spot the difference Posture Your posture can have a significant impact on your energy levels everyday Empowered with the information in this book learn simple but effective strategies to help liberate yourself from exhaustion and live life with more energy **Accidental Love** Gary Soto, 2008-01-01 It all starts when Marisa picks up the wrong cell phone When she returns it to Rene she feels curiously drawn to him But Marisa and Rene aren't exactly a match made in heaven For one thing Marisa is a chola she's a lot of girl and she's not ashamed of it Skinny Rene gangles like a sackful of elbows and wears a calculator on his belt In other words he's a geek So why can't Marisa stay away from him Includes a glossary of Spanish words and
