Breaking Free A Recovery Workbook For Facing Codependence:

Breaking Free Pia Mellody,1989-12-13 In her pioneering Facing Codependence Pia Mellody traced the origins of codependence back to childhood and a wide range of emotional spiritual intellectual physical and sexual abuses Now in this innovative new workbook she presents a step by step journal keeping method for moving toward recovery from codependence Based on such concepts as the precious child and the five core symptoms of codependence along with the Twelve Step process of recovery used by Codependents Anonymous Breaking Free provides strategies and insights for attacking the fundamental problem in codependence the lack of dependence on self In a three part approach to recovery Mellody first shows recovering codependents how to move beyond denial of their childhood history of abuse She then offers techniques to identify concrete ways in which the symptoms of codependence operate in their lives Finally Mellody guides users through the process of identifying and recording specific instances of improvement in their lives as an aid to greater self awareness and further recovery

Breaking Free Pia Mellody,1989 **The Self on the Shelf** Gary Greenberg,1994-08-04 The Self on the Shelf examines the cultural and philosophical determinants of popular recovery books Greenberg argues that this literature can be read as documents of the prevailing understanding of the self in American society The construction of the self promoted by recovery literature is seen as a nihilistic one insofar as it denies the significance of what continental philosophy calls the Other In this sense the self help books are correct in their assertion that we have lost sight of how to love but their proposed solution shows up as a recapitulation and strengthening of the conditions that gave rise to this situation in the first place Greenberg s critique provides a commentary on the difficulties that face our culture in achieving any sense of meaningful community and on the way that this problem surfaces in a highly popular discourse
