Authority in Prayer through Intimacy with Jesus

GARY WIENS

Foreword by Mike Bickle

Bridal Intercession

Timothy L. Anderson

Bridal Intercession:

Bridal Intercession Gary Wiens, Mike (FWD) Bickle, 2001-06 Bridal Intercession is a book for such a time as this approaching the topic of intercessory prayer from the perspective of the Church's place as the Bride of Christ Rather than seeing prayer as an issue oriented anxiety based exercise that produces fatigue Gary Wiens presents prayer as joyful and romantic communion between the Lover and His Beloved The approach is thoroughly biblical utilizing the stories of God's relationship with His people as the foundation for the contemporary call to intercessory prayer *Preparing the Bride of Christ for His Return* Janet Van Hierden, 2014-01-24 I pray that this great book will be placed in the hands of thousands of men and women across the globe Spiritual authority and hearing the voice of God is so ably articulated that even the new Christian will be armed and equipped to identify and recognize these challenges when they arise Dr Graham Power Power Group Global Day of Prayer Being Janet Van Hierden's pastor has been a pleasure She is a godly woman deeply prayerful who adores the Bride of Christ and practices what she preaches If there were anyone in our congregation whose prayers for the Bride I would appreciate and value it would be hers Bishop Todd Atkinson Via Apostolica River of Life Church Being gripped with the realization that a great harvest of souls is upon us there is a sense of urgency as the author through personal stories and testimonies gives practical advice in areas such as Gaining advantage through proper response in suffering and exposing a deep secret of Satan Acquiring authority through unity in marriage What it means for a woman to surround a man for his protection This pithy but easy to read manual helps prepare the Bride for the return of the Bridegroom while leaving the reader wanting more *The Establishment: the fallen tent of David and God's end-time house of prayer* J. Scott Husted, 2009-03-01 This is a book about the workings of an establishment that God is doing in these last days Prophesied from ancient times the establishment is going on in communities across the globe As centers for intercession as centers for evangelism and as strategic bases for mercy and justice God is founding Houses of Prayer all across the earth this is The Establishment **Remember Who You Are...** Ken Winton, 2012-08-21 You Are Here God's Heart You have been embraced with an outrageous authenticity of an exchanged life His for yours Most believers have never been taught that God is always in a good mood and totally in love with them As a result families and churches create shaming cultures that place Christians in spiritual bondage Remember Who You Are presents the truth that only the powerful love of God and a revelation of who you are to Him can break this too common oppression Then you can be confident knowing you are loved and carry the authority Jesus gave you as His Bride Thought provoking chapter topics include The True Nature of God Is there Spiritual Abuse Humanity's Deepest Issue God Believes in You God Says You Have All Authority Remember Who You Are challenges you to examine what you believe about yourself in light of your relationship with God as the Bride of Christ Very helpful with this self examination are the in depth interactive study questions that accompany each chapter **Into His Presence** Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God

Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture
