The ultimate BMAT guide 800 questions Rohan Agarwal, 2017 *The Ultimate BMAT Guide* Rohan Agarwal, Uniadmissions, 2017-07-28

Want to score highly in the BMAT? Look no further than *The Ultimate BMAT Guide*. Whether you're applying for Medicine, Veterinary Medicine or Dentistry, the top universities expect an exceptional BMAT score. The BioMedical Admissions Test (BMAT) is a notoriously difficult test testing your problem-solving, critical thinking, knowledge of principles of Science and Maths, and ability to write an essay that guides its reader to a logical and reasoned conclusion, all within a tight time limit. Your score in the BMAT can make or break your application, as it tests all the skills that admissions departments look for in a top medical student. Therefore, it's essential to score as highly as possible on this crucial exam. Written by BMAT specialists, doctors, and top medical tutors, and full of insider knowledge and tips, *The Ultimate BMAT Collection* is designed to help you make the most of your preparation, approach the test with confidence, and get those top scores. Published by the leading Medical and University Admissions Company, this fully comprehensive guide to the BMAT exam is fully updated for 2019 and includes 800 practice questions written by experts exactly in the style of the real exam to allow you to practice and revise successfully. Three mock papers so you can put your revision into practice. Fully worked solutions, including 12 annotated sample essays to give you clear and thorough guidance to help you understand where the gaps in your knowledge are and to learn from your mistakes. Containing score-boosting tips, tricks, techniques, and advice, all written by medical experts, doctors, and BMAT tutors. Time-saving strategies to help you beat the clock and answer efficiently. Advice to cover every section extensively: Aptitude and skills, Section 1: Scientific Knowledge and Applications, Section 2: and the Writing Task, Section 3: Hungry for more? So you want to be a Doctor?: The ultimate guide to getting into medical school Stephan Sanders, Harveer Dev, David Metcalfe, 2010-12-09

More people are applying to medical school than ever before, and *So you want to be a Doctor* will give you the best head start. It distils the wisdom of over 100 medical students, admissions specialists, and doctors, revealing the truth about the medical school application process. This comprehensive guide leads the reader through every stage of the process, from deciding if you want to be a doctor, through to moving to university and coping with the first year at medical school. With a detailed profile for every undergraduate and graduate medical school in the UK, it will help students to choose the best medical school for them. It will also help with the other big decisions that need to be made, such as which A-level subjects to take and whether to apply to Oxbridge. All the essential information is covered, including: how much medical school costs, what work experience is best and how to get it, completing the UCAS form, surviving the UKCAT and BMAT admission tests, getting through the interview. Written by an author team of a medical student, recent graduate, and a widely experienced clinician, the book also contains first-hand accounts of students' personal experiences and advice and information from people on the inside of the admissions process.
