Johnson, 2001 This collection of essays looks at over 200 major court cases at both state and federal levels from the colonial period to the present Organized thematically the articles range from 1 000 to 5 000 words and include recent topics such as the Microsoft antitrust case the O J Simpson trials and the Clinton impeachment This new edition includes 43 new essays as well as updates throughout with end of essay bibliographies and indexes by case and subject name **New York Times Co. v. Sullivan Forty Years Later** W. Wat Hopkins, 2017-10-03

The need to protect free speech on matters of governing importance more than any other element of government is the defining factor of a free society Nowhere in the law is that prospect more clearly explained than in the opinion in Times v Sullivan This special issue provides an example of the breadth and scope of Times v Sullivan and the ways in which the case continues to impact the jurisprudence of free expression It is introduced by two essays designed to provide an overview of the case providing insights into the origins of the dispute the Court was called upon to settle The next four articles are testimony to breadth the opinion in this case particularly dealing with aspects not often considered Combined they all demonstrate the lasting significance of what may be the most important free expression case the Court has delivered
