## **Be Holy Learning The Path Of Sanctification:**

Be Holy Jason Garwood,2014-12-10 Whether we admit it or not sanctification is often misunderstood misapplied or ignored altogether There is a danger in attempting to follow Jesus apart from His commands provisions and promises Without a coherent biblically informed understanding of God His holiness His attributes His character any grace driven efforts of Christian growth will be truncated at best Now that Christ has saved us how does that work itself out in love What are some of the things we should know as a follower of The Way What if I just don t feel like growing in the Lord Inside Be Holy Learning the Path of Sanctification Jason Garwood explores the terrain of sanctification in a comprehensive and easy to understand way It s saturated in Scripture and rooted in the church s history of holiness the ups and downs of growth and change in the Christian life And at the center of Be Holy sits the reigning King Jesus and the work of the trinitarian God in the gospel May God stir up your affections as you behold His glory and walk the path of sanctification

**The Way into the Holy of Holies** Lynn Ferder,2014-10-15 So often we struggle in prayer trying to find the words and the right way to approach a Holy God It can be a frustration and lead us to feel inadequate and wonder if our prayers are even heard Yet God has given us a model for prayer and how to approach a Holy God in the Old Testament Tabernacle of Moses Step by step we are guided into the presence of God through the symbolic meaning of each piece of furniture in the Tabernacle This study helps us to discover the simplicity of coming boldly into God s presence in prayer It gives us the words we struggle to find in prayer Step by step we are shown how to prepare our heart for the next depth in God The Way into the Holy of Holies will open our eyes and our understanding of prayer It will fill our hearts with wonder and adoration for God as we discover the true tabernacle is the Lord Jesus

**Learning Messiah** Edjan Westerman,2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it
