The Marriage Miracle Truth The Secret Ingredient:

The Marriage Miracle Paul Kendall, 2015-01-16 Truth that's what you've opened this book to find you want information that is solid and trustworthy You need truth because truth always works just like two plus two always equals four Truth will work in your marriage every time regardless of your circumstances The Marriage Miracle would be a facetious title for a book if it were based on a man's theory but this book is not based on man's theory it's based on the most trustworthy source of wisdom God's Word Isaiah 55:11 says that God's Word will not return void how is that possible Because God's Word is truth and truth always works That scripture goes on to say that whatever His Word is spoken into will prosper it prospers because the truth replaces the lie and when your decisions and actions are based on truth your circumstances begin to change This book is filled with Biblical principles of truth that will bring new life to your marriage if you simply apply them As you read these pages you will learn techniques that when applied to your marriage will always work Now I know the idea of learning techniques may sound less than exciting until you realize that you are already using them in your marriage The problem is they are not working you're not getting the results that you desire Therefore your greatest challenge in this book will be to replace your ineffective techniques with new ones based on principles of truth My wife Evie and I have been married for nearly 30 years now but in our 13th year of marriage we hit rock bottom It was a very very dark time We were two signatures away from a divorce and basically just trying to decide what would be best for our two children under the circumstances when somebody suggested that we go to marriage counseling I didn't like that idea because I always considered myself to be the helper and not the helpee Besides I was a minister and truthfully I was pretty embarrassed to go But I decided to go for one reason only so that after my divorce I could look my two children in the eyes and tell them I tried everything to make it work with your mother even counseling It was definitely the wrong reason to go but it got me there We joined one of their groups and went on to learn things in that program that we had never heard before At the end of the twelve weeks we were not all better but we had all of the tools that we needed to get all better We continued to use the tools for weeks and months and I'd like to tell you that we got better quick but it actually took us about two years to get to where we needed to be That might seem like a long time until you consider the fact that that was about 17 years ago So two years now seems like a drop in the bucket and certainly worth all of the healthy years of marriage that we've enjoyed since then Our children have also been able to grow up in a house with their biological mom and biological dad present So I know things may seem really tough for you I'm sure that they are but I want to encourage you to put your trust not in a person not in a book but in God's truth and trust God to transform your marriage just like He did mine *Sermons on the Manifestation of the Son of God* John Llewelyn Davies, 1864 **The Truth Seeker** , 1928 **Truth Seeker** , 1925 Crime Writers Elizabeth Haynes, 2011-01-19 This invaluable resource provides information about and sources for researching 50 of the top crime genre writers including websites and other online resources Crime Writers A Research Guide is an easy to use launch

Jamesella Kountz Proctor,2017-10-27 This book is intended for those who feel hopeless during their times of struggles because had it not been for God on the authors side where would she be Thus it is an urgent call to those who do not know Christ to repent accept Christ and trust that God knows the plans he has for you In this book there will be subjects exploring an understanding of who God is the names of God depicting his attributes and how those names relate to Gods glory and honor along with why believers should give all glory and honor to God not in word only but by their deeds as well To demonstrate honor and glory to God is when one recognized that God alone is the only wise God to whom all reverence belongs as he is immutable unchangeable and eternal Glory and honor should be given to Jesus Christ the redeemer and mediator of the sins of the world Thus the author renders a testimony of who God is to her and how personally knowing Christ has affected her journey One shows reference of Gods glory by honoring and acknowledging those who are elderly parents and those who are given authority to watch over the souls of humanity What does it mean to make sacrifices as glory and honor to God The book will further detail who the devil is and how he is at odds with the work of God Christ and human beings Mankind created in Gods image brings glory and honor to God Thus God grants promises which are derived from giving glory and honor to God as revealed by sending the Holy Spirit to empower all humanity to live holy unto Christ

addition to his succinct introductions and plot summaries Bowers skillfully details the cultural historical political and religious contexts for these works synthesizing them with close reading of selected passages Perhaps his most exciting contribution to the field is his choice to historicize the poet's life and works in the context of the royal culture of King Richard II boldly contending that it was highly possible the Gawain Poet was a frequent visitor to Richard's court in London The final chapter surveys the works influenced by as well as the influences reflected in the poet's work from the Bible to The Lord of the Rings The attention Bowers pays to the critical tradition that has developed around these texts over the past hundred years makes An Introduction to the Gawain Poet an ideal volume for both undergraduate students and scholars of the Gawain Poet Bowers has marshaled his formidable skills to create a book impressive in its balanced combination of breadth and depth
