The Russians Secret What Christians Today Would Survive Persecution:

The Russians' Secret Peter M. Hoover, Serguei V. Petrov, 1999 **The Russians' Secret** Peter Hoover, Serguei V. Petrov, 2014-10-28 Martyrdom in early Christian times already appealed to believers intent on doing great things for Christ. The early Christians venerated martyrs the dates of whose executions grew into a calendar of saints and wearing a martyr's halo is still extremely popular. But martyr's halos do not come in the mail. A great amount of persecution faced by Christians today results not from what they believe but from what they own and from where they come. Missionaries in poor countries lose their possessions and sometimes their lives because people associate them with foreign wealth. Other martyrs lose their lives in political conflict. But does having our vehicles and cameras stolen, our children kidnapped or being killed for political correctness assure that we have witnessed for Jesus? Martyr means witness. Rev 6:9, 12, 17 and 19:10. Real martyrs for Christ do not wear halos. They only carry crosses. Most people even Christians quickly discredit and forget these martyrs. Real martyrs suffer persecution not like great heroes of the faith but like eccentrics and fools. Ordinary people usually consider them fanatics. Does that disappoint or alarm you? Do not worry. Reading this book about Russia's underground believers will assure you that if you are a typical Western Christian you will never face persecution. You will never have to be a real martyr for Christ. Only if you are not typical if you choose to be a weed that floats upstream you may want to know the secret by which Russian Christianity survived through a thousand years of suffering. True to the spirit of Russia's believers, this work gives a colorful and detailed description of faith underground. But what makes it unique is the author's penetration of the soul of Russian belief in so many ways dissimilar to Western belief in God. Leonid Maslennikov, Russian professor, James Madison University. Westerners have become increasingly aware of the Russian people's deep roots in Eastern Orthodoxy. The *Russians Secret* introduces us to another side of Russian Christianity not as well known in the West: the little traditions of sectarian mystical and evangelical faith that have always existed alongside the official Orthodox church. This book, written for the general reader, offers a sweeping and detailed view of those radical Christian movements without stooping to superficiality. William Rushby, member Rockingham Meeting of Conservative Friends and independent scholar. *Old Order Resurgence* Michael Hari, 2015-05-19. This book concerns evangelism in an Old German Baptist, Amish or Mennonite context.

Mennonite Family History, 2000 **Christianity Today** Carl Ferdinand Howard Henry, 1981. A fortnightly magazine of evangelical conviction. **Christian Work**, 1896 A New Engagement Robert Booth Fowler, 1982 *Russia*, 1982

Christian Crusade, 1967 The Divine Mystery Allen Upward, 1915 The Congregationalist, 1922 **Christianity and Crisis**, 1973 **Frank Leslie's Illustrated Newspaper** John Albert Sleicher, 1889 *Congressional Record* United States Congress, 1961 **Harper's Weekly**, 1908 **The Spectator**, 1893. A weekly review of politics, literature, theology and art. *Land and Water*, 1918 *The Christian Advocate*, 1916 **Apocalypse Survival** T. Gordon Larsen, 2016-01-28. This is a manual for Evangelical Christians who anticipate the second coming of Jesus Christ and understand that they may

be called upon to endure some of the hardships of the End Times It takes the genre of survival literature up a notch by addressing the moral ethical and doctrinal questions that Christians should consider in planning for existential challenges in an uncertain future The author doesn't reinvent the wheel on common survival issues but covers items of interest to Believers who want to develop a survival strategy that deals with the world as they find it yet is consistent with their faith Among these are Does charity really begin at home Is it righteous to use lethal force in defense of yourself and others Does subscribing to the Pre Tribulation Rapture mean that Believers need not be concerned about coping with the End Times
