Blue Moon You Saw Me Standing Alone Lyrics:

America's Songs Philip Furia, Michael Lasser, 2006-05-12 America's Songs tells the stories behind the most beloved popular songs of the last century. We all have songs that have a special meaning in our lives; hearing them evokes a special time or place. Little wonder that these special songs have become enduring classics. Nothing brings the Roaring 20s to life like "Tea for Two" or "I'm Just Wild About Harry". The Great Depression is evoked in all of its pain and misery in songs like "Brother Can You Spare a Dime?" "God Bless America" revives the powerful hope that American democracy promised to the world during the dark days of World War II. "Young at Heart" evokes the postwar optimism of the 50s. And then there are the countless songs of love, new romance, and heartbreak. As "Time Goes By" Always Am I Blue, the list is endless. Along with telling the stories behind these songs, America's Songs suggests simply and succinctly what makes a song great. The book illuminates the way each great song melds words and music, sentiment and melody, into a seamless whole. America's Songs also traces the fascinating but mysterious process of collaboration, the give and take between two craftsmen, a composer and a lyricist, as they combined their talents to create a song. For anyone interested in the history of the songs that America loves, America's Songs will make for fascinating reading.

The Man City Miscellany David Clayton, 2011-08-01 The ultimate book of Blues trivia, The Man City Miscellany is full of weird and wonderful facts. Including: The only goalkeeper to have scored for City; The name of Clive Allen's dog; The identity of the City player who played with a toothpick in the corner of his mouth; Who is the Invisible Man; the City fans sing about; I rang my secretary and said what time do we kick off tonight and she said every 10 minutes; Alan Ball during his troubled reign of City 1996; Apparently decapitation is no longer a capital offence; Joe Royle reacts to an unpunished tackle on Kevin Horlock 1998. Packed with random Man City facts, stats, lists, tables, anecdotes and quotes from the club's record scorer to the bizarre name of the club cat, this is the ultimate trivia book for every City fan's bookshelf.

Feeling Blue Richard Denton, 2022-03-28 Feeling Blue is a football fan's memoir like no other. Spanning more than 35 years and set across three continents, it is a true story that encompasses love, race, and identity, all interwoven with the chaotic fall and rise of Manchester City. Dickie Denton was born into a 1960s Manchester home with many siblings, one of whom was adopted and of Asian parentage. As he grew up, Dickie faced the twin challenges of racist bullying and academic underachievement. Football was his refuge, and Manchester City became his obsession through boyhood, coming of age, and adulthood. By middle age, he had the trappings of a successful international business career, but still craved the thing that he most desired and continued to elude him: success for Manchester City. His story dramatically climaxes in 2012 on a sultry May night in Singapore. Feeling Blue is not just for Man City fans or even just football fans. It is a deeply personal story told with humour and honesty that will appeal to all and bring forth tears and laughter in equal measure.

A Ship Without A Sail Gary Marmorstein, 2013-07-16 Lorenz Hart, together with Richard Rodgers, created some of the most beautiful and witty songs ever written. Here is the story of the strikingly unromantic life of this songwriting genius. His lyrics spin with brilliance,

and sophistication yet at their core is an unmistakable wistfulness Rodgers and Hart who wrote approximately thirty Broadway musicals and dozens of songs for Hollywood films were an odd couple Rodgers was precise punctual heterosexual handsome and eager to be accepted by society Hart was barely five feet tall alcoholic homosexual and more comfortable in a bar or restaurant than anywhere else His lyrics are all the more remarkable considering that he never sustained a romantic relationship living his entire life with his mother who died only months before his own death at 48 Biographer Marmorstein superbly portrays the life of this exuberant yet troubled artist From publisher description *Blue Moon* John Gallagher, 1999
