**Minimally Invasive Gynecologic Surgery: Evidence-Based Laparoscopic, Hysteroscopic & Robotic Surgeries** Jon Ivar Einarsson, Arnaud Wattiez, 2016-03-09 Minimally Invasive Gynecologic Surgery provides a complete practical and timely review of the minimally invasive surgical techniques used to treat gynaecologic diseases and conditions. Recent advances in technology and instrumentation particularly the use of robot assisted surgery mean that minimally invasive approaches have become increasingly established as alternatives to traditional open surgeries. This book describes the full range of minimally invasive procedures in current gynaecologic practice with discussion of the indications and contraindications and a summary of available evidence. The book opens with a section describing instrumentation, electrosurgery, how to avoid and manage complications and single port surgery. Subsequent sections cover procedures for benign and malignant conditions and relevant robotically assisted surgeries. Highly structured chapters provide practical guidance to key steps of each procedure, alternative management options, contraindications and available evidence. Stellar contributors from leading centers in the USA, Brazil, Chile, Canada, France, Italy and Belgium ensure coverage reflects global best practice.

Bradley soon finds out that wearing the badge comes with firsthand experience grappling with the chaos and darkness of modern society. **Blue Line to Richmond** Thomas J. Berry, 2024-09-10 The bloody War of Revolution sparks a new democracy in the British colonies and makes household names of Washington, Adams, and Jefferson. As the century comes to a close, legendary rider Paul Revere forges a unique medallion in the fires of Boston. Decades later, another rebellion grips the land, splitting the fledgling country asunder. As the North and South collide in a devastating civil war, the Revere medallion rises from the ashes to spark a new generation of American heroes. When patriotic fever sweeps the country, Paul's grandson marches into battle with the famed Harvard regiment, but he finds the horrors of war a steep price to pay for glory. A Southern belle must decide where her true loyalties lie when faced with the ultimate choice. A young officer struggles to maintain his principles as Robert E. Lee pushes toward Gettysburg, and he must wrestle with the true meaning of freedom. As the battles rage around them, the three must learn to adapt as politics and prejudice undermine Lincoln's hope for salvation. Uniting the trio in the greatest conflict America has ever faced is the famed Revere medallion and the special strength it
