Blood And Sex Volume 1 Michael:

Theory of gontierism Vol 1 Darrell Gontier,2012-07-08 Darrells Theory of numbers and numerology completely different

The Heart of Listening, Volume 1 Hugh Milne,1998-06-18 Originally published as a single volume The Heart of Listening has been re issued as two separate volumes because of public demand for a more concise portable edition Milne a third generation Scottish osteopath begins by explaining the visionary approach to healing and how it may be applied to the realm of craniosacral work He explains the importance of meditation centering and the cultivation of heartfulness in the development of compassionate practice Milne introduces the reader to the story of visionary work its genesis evolution philosophy and practice and explains how a grounding in meditation sensitive touch and intuitive perception can lead to a remarkable unfoldment in skill development

Understanding Laboratory Investigations Chris Higgins,2012-12-14 The purpose of this book is to help nurses midwives and health professionals to better understand how the work of clinical laboratories contributes to patient care It answers the following questions Why is this test being ordered on my patient What sort of sample is required How is that sample obtained And most importantly What is the significance of the test result for my patient Retaining its accessible and user friendly style the aim of this book remains the same to provide nurses with as much relevant information as possible about the most commonly requested laboratory tests This is not a book about laboratory technique its focus is on the clinical significance of test results and therefore the patient The third edition is more comprehensive in terms of the number of tests discussed incorporates colour to aid the accessibility and includes more paediatric content

AIDS and the Sexuality of Law J. Rollins,2004-01-02 AIDS and the Sexuality of Law investigates the role that HIV AIDS has played in the legal construction of sexuality AIDS and its metaphors have been judicially enlisted to patrol the boundaries of heterosexuality producing flawed understandings of HIV AIDS and sexuality The proliferation of this flawed knowledge through judicial discourse has had a profound impact on the way sexuality is understood Even more fundamentally closer analysis exposes the ironic processes of the law whereby material reality ignorance and belief interact to replace unknowns with social facts The book concludes optimistically arguing that there is political value in uncertainty

Sexuality and Equality Law Suzanne B. Goldberg,2017-07-05 Sexual rules and regulations are among society s oldest yet it is only in recent decades that this once stigmatized field has become the focus of scholarly attention This volume which includes some of the most thought provoking and hard to find essays in the field covers a diverse range of topics from sexual orientation and gender identity to intersexuality and commercial sex and from HIV AIDS and trafficking to polygamy Through historical political and critical theoretical lenses and through a global focus the selections ask how we conceptualize the groups and acts subjected to sexual regulation and how regulations in the field implicate and produce understandings of sexuality and identity By placing this variety of works together Sexuality and Equality Law invites fresh insights into commonalities and synergies across regulatory arenas that are often isolated from one another The volume s introduction

situates all of these works in the broader field and offers readers an extensive bibliography Children's Bureau Publication United States.
