## **Blood Land A Hard Boiled Murder Mystery:**

Cracking the Hard-Boiled Detective Lewis D. Moore, 2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here The Creeping Shadow Sam Merwin (Jr.), 1952 Guilty But Insane Samantha Walton, 2015-01-29 Guilty But Insane takes an historical approach to golden age detective fiction by Margery Allingham Christianna Brand Agatha Christie Dorothy L Sayers and Gladys Mitchell It examines how writers and readers of detective fiction during the 1920s to 1940s understood guilt responsibility and the workings of the mind as they related to the commission the investigation and the punishment of crime Under the lens of psychology the detective novel is revealed as a site for the negotiation of competing interpretations of sanity and insanity An unexplored depth and subtlety is revealed in detective novels that address major controversies in legal and psychiatric theory and practice while significant resonances with specific concerns of modernist fiction come into focus for the first time During the interwar years proponents of competing psychological schools challenged legal concepts of responsibility and free will In response golden age writers began to reflect on the genre's promise to accomplish true and just solutions in a social order in which the relationship between law and justice was being problematized on several fronts By making connections between high modernism and popular culture and by tracing the impact of psychological discourses across a range of different cultural outputs this book makes a persuasive case for reading detective fiction historically It aims to demonstrate the richness of these texts and their value for scholarship not only as historical documents or residues of discourse but as literary texts which challenge subvert toy with and test the prevailing values and prejudices of interwar Britain **Vampires in the New World** Louis H. Palmer III, 2013-02-20 This book provides an engaging historical survey of the vampire in American popular culture over 100 years ranging from Bram Stoker's classic novel *Dracula* to HBO's television series *True Blood* *Vampires in the New World* surveys vampire films and literature from both national and historical perspectives since the publication of Bram Stoker's *Dracula* providing an overview of the

changing figure of the vampire in America It focuses on such essential popular culture topics as pulp fiction classic horror films film noir science fiction horror fiction blaxploitation and the recent Twilight and True Blood series in order to demonstrate how cultural scientific and ideological trends are reflected and refracted through the figure of the vampire The book will fascinate anyone with an interest in vampires as they are found in literature film television and popular culture as well as readers who appreciate horror and supernatural fiction crime fiction science fiction and the gothic It will also appeal to those who are interested in the interplay between society and film television and popular culture and to readers who want to understand why the figure of the vampire has remained compelling to us across different eras and generations

**The Film Daily Directors' Annual and Production Guide** ,1929      **The Decoy** Edward Ronns,1951      **... Doomed to Repeat It** D. G. K. Goldberg,2001      **The American West from Fiction (1823-1976) Into Film (1909-1986)** Jim Hitt,1990 Surveys the genre of western fiction that has been adapted for the American screen excluding novelizations of films and foreign adaptations The main sections are entitled Red man white man Six gun heroes and The new west A full chapter is devoted to treatments of Zane Grey For film buffs rather than scholars Annotation copyrighted by Book News Inc Portland OR      **International Journal of Religious Education** ,1939      **The Deal Killer** Jack Bludis,2002-10 Brian Kane Hollywood P I is back in this exciting sequel to THE BIG SWITCH A routine studio security job turns deadly when a star is ambushed a mysterious kidnapping occurs and suddenly Kane s swept up in a maze of Hollywood bigwigs adulterous affairs underground movies and some vicious killers from the postwar Hungarian mob A studio s fate hangs in the balance an innocent s life is at stake and Kane s only solution may be to rely on his high priced call girl s ruse to bring the deal killer to justice      **The Publishers Weekly** ,2004      **Town Journal** ,1925      **Waiting for the 400** Kyle Marffin,2003-02 She s the kind of dame that can turn a man s head till danger doesn t matter anymore till desire can only lead to death Because folks are dying the tiny northwoods station master s in over his head now waiting for the 400 and his red headed beauty to step off the train with his ticket out of town      **Outlook** ,1928      *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1928      **Editor and Publisher** ,1929      American Indian Literature Kimberly Wieser-Weryackwe,2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apress to the Pulitzer Prize winning novel House Made of Dawn by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and

context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it     Saturday Review of Literature ,1926     **Harper's Bazaar** ,1870     **Spy** ,1988-04 Smart Funny Fearless It s pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump
