Blood Therapy Kismet Knight Vampire Psychologist Series:

Blood Therapy Lynda Hilburn, 2015-06-26 How silly of me to think this would be a blood free nightmare Denver psychologist Kismet Knight and the dark world of the vampires are back in this thrilling sexy sequel to the wicked romp *The Vampire Shrink*. Still reeling from the so called vampire murders around Halloween Kismet is trying to adjust to her new otherworldly clients and her unique relationship with drop dead gorgeous nightwalker Devereux. She can't deny her attraction to him but is his intoxicating hold on her a loving embrace or a vice like grip? And while Devereux has been clear about what he'll do to any immortals who dare to lay a fang on her Kismet is still being stalked by Lucifer the obsessed bloodsucker targeting therapists for death. With Kismet scheduled to make a presentation at the American Psychological Association's New York conference handsome FBI profiler Alan Stevens feels it's too risky to let her go without him. Not only is he concerned that the conference is a psychologist smorgasbord too juicy for Lucifer to pass up but there is also some unfinished business with Kismet to be settled. Can Alan or Devereux track down the elusive Lucifer or is Kismet destined to confront him herself? A fresh take on the fantasy trope dark sexy and very human SciFi Now Magazine A gripping storyline intriguing characters humor romance and a great insight into the mind of a psychologist. It will lift your spirits like a tub of Ben Jerry's. www.Bookmonkeyscribbles.wordpress.com You will want to take the phone off the hook and lock the doors for the entire time it takes you to read from cover to cover. Lynda Hilburn, 2013-10-01 Kismet Knight knows exactly how to handle her patients but when it comes to her love life she's on less steady ground. That was until she met master vampire Devereux an 800 year old hunk not only managed to convince the entirely rational shrink that vampires really do exist he also convinced her to start dating him. Kismet's still having nightmares after being kidnapped by Lucifer a schizophrenic vampire. From a therapeutic perspective she finds his split personalities fascinating but she's constantly terrified. And Dev's become obsessed with finding Lucifer before he comes after Kismet again. So much for her nice ordinary life. *The Vampire Shrink* Lynda Hilburn, 2015-06-19 Vampires don't exist do they? Kismet Knight a brainy Denver based psychologist with a stalled career and a nonexistent love life is about to have her world rocked. Not only does her newest client Midnight long to become a vampire but the teenager insists that a coven of the undead hangs out at a local Goth club. The always rational Kismet dismisses Midnight's claims as the delusions of an attention starved girl until bodies start turning up drained of blood and the hottest self proclaimed vampire ever to walk the face of the earth enters her office. What's real? What's not? As inexplicable events and romantic opportunities pile up along with the corpses Kismet finds herself in a whirlwind of passion mystery and danger. But this tough and funny heroine who doesn't do damsel in distress is about to turn the vampire meets girl convention on its head. A sizzingly sexy contemporary fantasy sure to feed the hunger of ravenous vampire loving fans. Lynda Hilburn creates a fascinating world wicked and sexy. Kerrelyn Sparks New York Times best selling author A good choice for the ever demanding aficionados of vampire fiction.
