Street hoping he would walk out of the wreckage I expected to see him hear him and hug him but that didn't happen 3 I was with my friend when the crash happened I was petrified as I inched closer to the wreckage looking for Scott I heard cries and people moaning There was glass everywhere along with mangled pieces of metal I was terrified that Scott might be dead 4 I normally don't participate in Savannah's parades or national holiday celebrations as I find them uncomfortable That night I was there to help Mashama and Scott and I was extremely nervous about what might happen next
