Faulkner, 2016-07-29 This text investigates what the Bible has to say about astronomical objects and phenomena The Bible contains many mentions of astronomical things beginning with creation and concluding with end time prophecies Besides the sun and moon the Bible names groups of stars Orion the Pleiades and the bears In addition to what the biblical record shows about astronomical phenomena many people think that it teaches things that it actually does not teach These concepts are examined in depth as well Unique among books discussing the intersection of biblical text and astronomy because of the range of questions explored and answered definitive work that explores many popular questions and misconceptions about the universe and the Bible Sorts fact from fiction and truth from popular myths as the true purpose of these enigmatic lights in the night sky are revealed *Astrology and Western Society from the First World War to Covid-19* William

Burns, 2023-10-11 This book gathers contributions on the topic of astrology in the West during the twentieth and twenty first centuries from 1914 2022 It is the first collection exclusively devoted to a period that has been mostly neglected by historians of astrology who have mostly devoted themselves to the ancient medieval and early modern periods Uninterested in vindicating or debunking astrology contributors consider its cultural impact its relation to historical events and the ways in which it has changed in the last century The broad range of subjects on modern Europe and the US include the relation of astrology with indigenous thought interwar Polish astrology and the relation of American astrologers to COVID A bibliography of studies of modern astrology on a global basis is also included This collection is a thoughtful contribution to the history of astrology and the sociology of belief as well as carrying significant implications for twentieth and twenty first century history broadly **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G.

Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to

Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions      **Ephod of God** Joan Angley,2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the mysteries of God      **God Is!** Dr. Jo Anna c Watson,2016-01-05 This generation has seen more scientific discoveries and an increase in greater intellectual knowledge than ever before As a result a worldview has immersed that puts its faith in human potential intelligence and self gratification rather than in God This generation is also witnessing a greater increase in biblical prophecy being fulfilled along with an increase of supernatural phenomenon Is it possible that God because of His extreme love for humanity is zealously declaring that He is the Creator who holds all power and authority over life death time and seasons Is it possible that this may be the last generation before our Messiah returns Each of us has a worldview and that worldview is very important because it determines our behavior Our behavior which influences how we think feel and act is guided by what we believe to be true about God Such truth is very important because

it affects our goals relationships our peace of mind and our destiny as well as the destiny of our nations It is my desire to posit that truth is a personal knowledge of God and the truths in the Bible are relevant today for it has all the answers to life death time and our future What you believe about God and the Bible will determine your destiny Only dare to believe *Is Christ'S Return Near?* Diane M. Heiser,2016-03-16 Could Jesuss words in Matthew 24 be happening now Do science and current events support this prophecy Do Russia China Iran and the pope play a significant role in bringing it all about Do you believe God gives us harbingers before he puts his plan into action Are the signs here and is the time now This book connects all the dots in a prudent and informative manner as we weave through the clues together to conclude *Is Christs Return Near*

*No Sacred Cows* David G. McAfee,2017-08-22 While belief in religious supernatural claims is waning throughout the West evidence suggests belief in nonreligious supernatural claims is on the rise What explains this contradiction How can a society with a falling belief in God have a rising belief in ghosts psychic powers ancient astronauts and other supernatural or pseudo scientific phenomena Taking the same anthropological approach he employed in his notable studies of religion atheist author and activist David G McAfee turns his attention to nonreligious faith based claims Whether going undercover as a medium getting tested at Scientology headquarters in Los Angeles or interviewing celebrity paranormalists and famous skeptics he leaves no stone unturned in his investigation As in the case of religion he finds an unwillingness among believers to critically examine their most closely held convictions Only once individuals honestly assess their own sacred cows will they be able to ensure that their beliefs conform to the known facts and that our decisions as a society are based on the best available evidence *God's Day Timer* Biltz Mark,2016 *Blood Moon* S. Douglas Woodward,2014-05-09 Are the blood moons of 2014 2015 portents of pending calamitous events in the Middle East Are they true harbingers of doomsday Is the apocalypse foretold in the books of Daniel and Revelation coming to pass in our lifetime Just how important is belief in the return of Jesus Christ to the Christian faith Does Bible Prophecy have any relevance to the way Christians live their lives in the twenty first century What did Jesus mean by the coming of the Kingdom of God Are there authentic heavenly signs of the apocalypse that can tell us when the end of the age is S Douglas Woodward best selling author of seven books on eschatology theology and the religious history of America brings his acute analytical skill and decades of biblical study to the hot topic of the blood moon prophecies His effort brings a mature seasoned perspective to this subject and as such delivers an enduring classic on eschatology destined to be a cherished inspirational resource and vital prophetic reference for many years to come In *Blood Moon Biblical Signs of the Apocalypse* Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee He also evaluates the criticisms of Mark Hitchcock and Chris White Woodward finds a middle ground identifying why the Blood Moon Prophecy is likely to be authentic but cautions against accepting its validity without the test of time Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned Woodward evaluates the nature of biblical signs by studying the phrase signs and wonders as used in both the Old Testament

Hebrew and Aramaic and in the New Testament Greek He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural showing why many may be natural in terms of astronomical events that are unusual but not paranormal acts of God The heart of the book however is an apologetic for why the study and adherence to the Kingdom of God and the apocalypse it implies is mandated by the words of Jesus Christ His followers MUST keep watch always He finds surprising corroboration in modern liberal theology and disconcerting denials in evangelicalism Woodward professes belief in the Pre Tribulation Rapture of the Church In Blood Moon he argues forcefully for this interpretation of the Second Coming of Jesus Christ yet shows respect for alternative views not in agreement with his Likewise Woodward affirms faith in what is known as the Ruin and Restoration Theory for God s creation aka The Gap Theory Readers will find substantial evidence for this point of view from an analysis of 2 Peter s statement concerning scoffers in the last days and why Peter used this perspective to strengthen the argument for the apocalypse and the coming of Christ to establish His Kingdom here on earth Blood Moon is a consummate prophecy book perhaps the most well written argument for the importance of biblical prophecy to the Christian faith that has been written in the past several decades After reading this book those fascinated by eschatology will understand exactly why their preoccupation with prophetic subjects is perfectly in line with the admonitions of the gospel Of all the books on the blood moon prophecy Woodward s will be the most memorable and influential over the long term It is a must read for all students of eschatology Like his other books readers will want to return to it again and again not because it is hard to follow but because it is jam packed with so much information

**Decoding the Antichrist and the End Times** Mark Biltz, 2019-03-05 Will the real Antichrist please stand up For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed Many people have made preposterous claims and of course they have been wrong If you re not careful you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don t accomplish anything for the kingdom To make matters worse we now live in an era when for the first time we have the possibility of an artificial intelligence Antichrist a human computer hybrid that will demand to be worshipped Have you ever wondered if it s OK to have Alexa Siri and other forms of artificial intelligence in your home We know that the Bible says great deception is coming so what is a concerned believer to do Author and minister Mark Biltz wants you to understand the methods of the Antichrist so you won t be deceived This book will help you know the big picture of what has happened historically what is unfolding this very moment and what the future holds concerning the Antichrist based on the unfolding purposes of God
