

# ACLS & BLS Study Guide

## BLS Review

- Assess for responsiveness – shake patient and say are you ok?
- Assess airway
- Check breathing
- If not breathing, begin rescue breaths
- If no pulse, begin CPR
- Don't waste time trying to find the pulse
- For a responsive patient, check for a pulse
- Change position to a supine position
- Use the heel of your hand to thrust the patient's chest
- Squeeze the patient's nostrils shut
- Use a pocket mask or your mouth to cover the patient's mouth
- Try to give 100% oxygen during CPR
- Will patient breath if you give a sharp, quick breath?
- Immediately begin CPR if no pulse
- Continue CPR until help arrives

The first step before BLS or ACLS is always to verify scene safety, activate emergency response (call code, get help, etc.)

## ACLS and BLS Study Guide

**Bottleneckers** William Mellor, Dick M. Carpenter II, 2016-12-13 Bottleneckers n a person who advocates for the creation or perpetuation of government regulation particularly an occupational license to restrict entry into his or her occupation thereby accruing an economic advantage without providing a benefit to consumers The Left Right and Center all hate them powerful special interests that use government power for their own private benefit In an era when the Left hates fat cats and the Right despises crony capitalists now there is an artful and memorable one word pejorative they can both get behind bottleneckers A bottlenecker is anyone who uses government power to limit competition and thereby reap monopoly profits and other benefits Bottleneckers work with politicians to constrict competition entrepreneurial innovation and opportunity They thereby limit consumer choice drive up consumer prices and they support politicians who willingly overstep the constitutional limits of their powers to create maintain and expand these anticompetitive bottlenecks The Institute for Justice's new book Bottleneckers coins a new word in the American lexicon and provides a rich history and well researched examples of bottleneckers in one occupation after another from alcohol distributors to taxicab cartels pointing the way to positive reforms

**Essentials of Retirement Planning** Eric J. Robbins, 2016-05-26 This book provides the quintessential information needed to understand the financial side of the retirement planning coin Readers will begin by learning about the various plan types available to the employers to offer to their employees The topics related to compliance testing are thoroughly discussed as well as strategies used to legally shift benefits in favor of the highly compensated employees However some employers do not sponsor a plan In this instance retirement savers will need to understand the options available in the world of individual retirement accounts This book is not intended to provide investment advice but rather to guide how different retirement savings vehicles function and how they can be effectively deployed Many financial professionals find that their clients will ask questions about all aspects of their financial life For this reason this book also discusses non investment related topics such as housing options social security planning Medicare planning and a few other basic insurance based issues faced by all retirees

**From Meaning of Working to Meaningful Lives: The Challenges of Expanding Decent Work** Annamaria Di Fabio, David L. Blustein, 2016-09-21 This Research Topic explores issues that are central to the continued relevance of organizational and vocational psychology and equally central to the well being of individuals and communities The cohering theme of this publication revolves around the question of how people can establish meaningful lives and meaningful work experiences in light of the many challenges that are reducing access to decent work Another essential contextual factor that is explored in this volume is the Decent Work Agenda International Labour Organization 2008 which represents an initiative by the International Labour Organization In this book we hope to enrich the Decent Work Agenda by infusing the knowledge and perspectives of psychology into contemporary discourses about work and well being Another inspiration for this project emerged from the UNESCO Chair in Lifelong guidance and counseling recently established in Poland in 2013 under the leadership of Jean Guichard which has focused on advancing research and policy advocacy about decent work This new era calls for an innovative perspective in constructing decent work and decent lives the passage from the paradigm of motivation to the paradigm of meaning where the sustainability of the decent life project is anchored to a meaningful construction During this period when work is changing so rapidly leaving people yearning for a sense of connection and meaning it's fundamental to create a framework for an explicitly psychological analysis of decent work
