**Free Poland**, 1918 **How to Justify Torture** Alex Adams, 2019-09-10

From Batman Begins to Tom Clancy How to Justify Torture shows how contemporary culture creates simplified narratives about good guy torturers and bad guy victims how dangerous this is politically and what we can do to challenge it If there was a bomb hidden somewhere in a major city and you had the person responsible in your custody would you torture them to get the information needed to stop the bomb exploding preventing a devastating terrorist attack and saving thousands of lives This is the ticking bomb scenario a thought experiment designed to demonstrate that torture can be justified In How to Justify Torture cultural critic Alex Adams examines the ticking bomb scenario in depth looking at the ways it is presented in films novels and TV shows from Batman Begins and Dirty Harry to French military thrillers and home invasion narratives By critiquing its argument step by step this short provocative book reminds us that despite what the ticking bomb scenario will have us believe torture can never be justified
