Blood Countess Pandora English Novel

M Walker

Blood Countess Pandora English Novel:

The Blood Countess Tara Moss, 2020-02-04 Pandora English is no ordinary small town orphan. When she's invited to live with her mysterious Great Aunt Celia in New York City, she seizes the opportunity to escape her stifling hometown break from her tragic past and make it as a writer. Things however are not what she is expecting. For starters her great aunt's gothic mansion is in a mist wreathed Manhattan suburb that doesn't appear on maps. And then there's Celia herself a former designer to the stars of Hollywood's Golden Age who is elegant, unnaturally young and always wearing a veil. Pandora lands a job at a fashion magazine and her first assignment is covering the A list launch of the latest miracle cream Blood of Youth. But something is not right about the product nor Athanasia the drop dead beautiful face of the brand. It seems there may be a secret ingredient in Blood of Youth a secret worth killing for.

The Spider Goddess Tara Moss, 2020-02-04 It's been two months since Pandora English left her small hometown to live with her mysterious great aunt in a haunted mansion in Spektor the fog wreathed suburb of Manhattan that doesn't appear on any map. With the help of her great aunt and the beautiful but dead Lieutenant Luke, Pandora is beginning to understand the significance of the Lucasta family heritage her late mother kept secret from her. Pandora is heir to a great gift a gift that comes with a frightening responsibility. And when a new designer arrives in town Pandora soon discovers that this designer's ambitions extend far beyond taking over the fashion world one knit at a time.

The Skeleton Key Tara Moss, 2020-02-04 By day Pandora English is a lowly fashion assistant. But by night she is a supernatural scion. The Crow Moon is rising and Pandora has a date with Civil War soldier Lieutenant Luke who will be flesh and blood for one night only. When Lieutenant Luke disappears Pandora must unlock the mysteries of Number One Addams Avenue with her skeleton key and discover the secrets that lie in the forgotten laboratory of Dr Edmund Barrett. For Pandora has been warned a powerful force is in the house. As Friday the Thirteenth looms Pandora English and the citizens of Spektor are in grave danger. For the dead will rise and terror shall reign.

The Cobra Queen Tara Moss, 2020-03-03 In the months since Pandora English left the small town of Gretchenville to live with her mysterious great aunt in a supernatural Manhattan suburb her whole world has been turned upside down. Pandora has discovered she is the chosen one the Seventh Daughter of a Seventh Daughter and during the impending Revolution of the Dead she alone will have the power to save all life as we know it. The Agitation is unfolding building towards the Revolution and Pandora can no longer deny the truth in these incredible prophecies. But what will she do when the moment comes? How can she stand against the army of the dead? Pandora's relationship to her spirit guide Lieutenant Luke is intensifying. She's had to grapple with ghosts, vampires and necromancers. Now with the Blue Moon approaching and a new exhibition opening at The Met which celebrates an ancient female pharaoh done wrong in antiquity powerful forces threaten to upset the balance of life and death. Pandora is given the chance to find out what happened to her parents all those years ago but first she must put her own supernatural gifts to the test.
