Blood On The Doorposts:

TYPES and SHADOWS: Prophetic Pictures to Wholeness in Christ Shirley Christian, 2006-08 The revelation shown in this edition reveals to believers the richness and grandeur of the Old Testament Biblical Studies **The Identity of Jesus** J. J. Bartholomew, 2010-09 The belief that Mary's husband Joseph was not Jesus biological father is common to all who know His story well especially to those who believe in Him However there is something else that must be considered it is this Mary herself was not Jesus biological mother He possessed neither her genes nor her blood This important fact though fundamental to Jesus identity has long been neglected relegated to some dark corner away from the Christian message This book The Identity of Jesus brings it into light and deals with related issues including seed of the woman seed of David the deity of Jesus and the meaning of the term the God man In a non traditional yet biblical way The Identity of Jesus answers the difficult questions It promises closure to some major controversial issues one of which being the true place of the Blessed Virgin Mary as the mother of Jesus This has the potential to cause both Catholics and Protestants to come to a common conclusion Everyone can profit from The Identity of Jesus It brings the believer into a greater consciousness of the reality of who Jesus is and increases the awareness of the value of the sacrifice that was made for salvation The information obtained within its pages can transform a life already committed to Christ into one that exercises greater authority displays more of God's glory and overcomes more adversities For the non believer The Identity of Jesus clarifies the misunderstood and makes what once seemed unbelievable believable **Understanding Roman Catholicism** William James Schnoebelen, Rick Jones, Sharon Schnoebelen, 1994 [Looking at Life through a Biblical Lens](#) Robert C. Tannehill, 2021-07-01 It may seem that so many sermons have been preached on biblical texts that there is nothing new to say Careful reading and imaginative thought however can result in new insights especially if the biblical text becomes a lens through which we freshly view issues of human life Larger literary units should be considered rather than isolated Bible verses and there is often a development in the text that is suggestive for development of the sermon Clear thinking is necessary about real issues for people today Discernment of the link between the ancient text and the challenges we face requires both thought and imagination The result should be new suggestions for ways of expressing the gospel message appropriate for our time These sermons are presented as good examples of biblical preaching They illustrate the qualities noted above They can also be used in daily or weekly devotions They are more challenging than much devotional material but that may add to their value in nourishing a thoughtful life of faith **From Persecution to the Promised Land** Pastor M El Masih, 2017-12-06 This is a story of overcoming struggles to achieve success It is about a poor boy who lived in a mud home of a small village in a third world country His life was in poverty and desperation but once he put his trust in God his life was completely changed When you read this book your life will be challenged your faith will be built and all of your mountains will seem as though nonexistent You will know that you are capable to do anything in life if you put your heart into it This book includes the following Pastor

Masihs biography loving the lost how to stand strong in your faith truth about Islam **The daily course of the Christian life** Christian life,1894 *Blood Ritual in the Hebrew Bible* William K. Gilders,2004-11-23 Publisher Description *The Old Testament in the Light of the Ancient East* Alfred Jeremias,1911 Devotional Hours with the Bible: From the creation to the crossing of the Red Sea James Russell Miller,1908 **The Expository Times** ,1896 **The Passover Blood and COVID-19** The Shulammite Divine,2025-12-14 In these days of perplexities uncertainties and confusion the minds and hearts of the people are distressed with the unrelenting threat of the coronavirus COVID 19 plague Today s news broadcasts and media with its rhetorical speculations can render no truthful answers or solutions The world s speculations are devoid of peace and can only lead to deeper depression anxiety and fear However there is an effective way to experience total freedom from depression anxiety and fear The only way to experience total freedom from this pandemic is by the precious efficacious Blood of Jesus Christ that was shed for you on the Cross His precious Blood can effectively redeem you wash you cleanse you and cover you not only from your sins but can also keep you out of the hour of trial that has come upon the whole inhabited earth to try those who dwell on this earth I also will keep you out of the hour of trial which is about to come on the whole inhabited earth to try them who dwell on the earth Revelation 3 10 Please take note that the Lord will not only keep you out of trial but also out of the hour of trial that has come upon the whole inhabited earth Are you covered by His precious Blood Do you desire to be kept from the hour of this trial *The Expository Times* James Hastings,Ann Wilson Hastings,Edward Hastings,1896 **Methods of Teaching the Jewish Religion in Junior and Senior Grades** Julius Hillel Greenstone,1915 Mekhilta De-Rabbi Shimon Bar Yo (Edward E.
