The Survey, 1916 *The Survey* Edward Thomas Devine, Paul Underwood Kellogg, 1916 **Time Out Las Vegas**
Editors of Time Out, 2012-07-13 Time Out Las Vegas is the only crib sheet travelers need to the world's most outlandish city. Whether going for a short or extended visit, this guide is an invaluable companion through the neon maze that awaits in Las Vegas. With the lowdown on all the hotels and casinos, money-saving tips, extensive restaurant reviews, hints on the hottest nightlife, and a full guide to gambling, it leaves nothing to chance. This seventh edition proves that there is more to Sin City than just sequins and slots: the dramatic expansion in hotel accommodations, fine dining, and shopping is attracting tourists from every economic strata, not just those with gambling as their sole agenda. The guide contains a detailed explanation of what games are available in the casinos, as well as tips on how to play them. There is also a chapter on suggested side trips to Hoover Dam, as well as other sights in Nevada and Arizona.

Every Little Crook and Nanny Ed McBain, 2016-10-25 A nanny will go to any length to save a kidnapped Mafia prince in this madcap mobster farce by the bestselling author of the 87th Precinct series. Her name is Nanny, and she's the most cutthroat woman in New York. Slim and dangerously English, she's responsible for the care of Lewis Ganucci, a spoiled brat whose father just happens to control the city's largest crime syndicate. Working on Mr. Ganucci's sprawling Westchester estate is a dream until Lewis disappears. Mr. Ganucci is vacationing in Capri, and Nanny sees no reason to inform him that she lost his boy. The kidnappers want 50,000, and if she can scrape it together before the boss gets back, she has a shot at staying alive. She recruits a mid-level enforcer, Benny Napkins, to help her get the cash and save the boss's son, kicking off a chain of events so outrageous and delightful that Nanny will die laughing if she doesn't get whacked first. An uproarious story of kidnapping, extortion, and cold-blooded murder, this is Ed McBain at his best. If you love Damon Runyon or a great Robert De Niro comedy, you'll enjoy this entertaining romp about a mobster on a rampage.

The Role of Temporality in Customer Experience Sarah Evans-Howe, 2025-11-12 Temporality and the importance of time has evolved over the centuries. From an abstract philosophical perspective of the meaning of time to a quantifiable commercialisation of yield from individual units of time, we have long appreciated time's value and centrality to the human experience. Consumers today live in a temporally focused world where perceptions of temporality permeate every aspect of consumption, but there is minimal consideration of this knowledge in the marketing domain. This book introduces a model of consumer perceptions of temporality which can be used as a framework to consolidate knowledge of the role of temporality in consumption and improve the management of customer experiences. Covering an overview of the history and evolution of knowledge of time and temporality through to recommendations for best practice in the management of consumption experiences with a new knowledge of temporality, this unique book is key reading for students and academics who wish to gain a new perspective on consumer behaviour and consumption.
