Managerial Accounting (2nd Edition) Cma Cgma A. J. Cataldo II PhD CPA, 2018-01-20 This text covers the material required in an introductory managerial accounting course and complements my text on introductory financial accounting. Both are texts and courses required for all business degree undergraduates. My objective is to make this material available to students at a very low cost. I have used variable costing and other techniques included in this text in business litigation engagements involving GM, Ford, Chrysler, Toyota, Nissan, and other automobile manufacturers testifying in Nevada, California, Texas, and Arizona.
