**Cooking for Geeks** Jeff Potter, 2010-07-20

Are you the innovative type, the cook who marches to a different drummer used to expressing your creativity instead of just following recipes? Are you interested in the science behind what happens to food while it's cooking? Do you want to learn what makes a recipe work so you can improvise and create your own unique dish? More than just a cookbook, *Cooking for Geeks* applies your curiosity to discovery, inspiration and invention in the kitchen. Why is medium rare steak so popular? Why do we bake some things at 350 F/175 C and others at 375 F/190 C? And how quickly does a pizza cook if we overclock an oven to 1,000 F/540 C? Author and cooking geek Jeff Potter provides the answers and offers a unique take on recipes from the sweet to the mean: chocolate chip cookie to the savory duck confit sugo. This book is an excellent and intriguing resource for anyone who wants to experiment with cooking, even if you don't consider yourself a geek. Initialize your kitchen and calibrate your tools. Learn about the important reactions in cooking such as protein denaturation, Maillard reactions and caramelization and how they impact the foods we cook. Play with your food using hydrocolloids and sous vide cooking. Gain firsthand insights from interviews with researchers, food scientists, knife experts, chefs, writers and more, including author Harold McGee, TV personality Adam Savage, chemist Herv This and xkcd. My own session with the book made me feel a lot more confident in my cooking. Monica Racic, *The New Yorker*

I LOVE this book. It's inspiring, invigorating and damned fun to spend time inside the mind of a big-picture cooking. I'm Hungry Adam Savage, co-host of Discovery Channel's *MythBusters*. In his enchanting, funny and informative book, *Cooking for Geeks*, O'Reilly's Jeff Potter tells us why things work in the kitchen and why they don't. Barbara Hanson, *New York Daily News*

*Good Food* P. C. B. Newington, 1947

Good Food came into being during the period I was interred/sic in Changi Criminal Prison and Sime Road Camp, Singapore, by the Japanese from February 1942 up to date of our release in August 1945. It is an extraordinary thing how one's thoughts turn to food when one is starving. Our food had steadily been decreased until our staple dish in May 1945 was 4 ozs of rice a day. I started in the Changi days by writing down in a note book all the recipes that I could remember and

when I was transferred to Sime Road Camp I started a Gourmets Club which was called Good Food The Club would meet on the embankment outside my hut once a week and for an hour food was discussed as follows Preface Good Housekeeping,1929 **Good Food Every Day** Gary Mehigan,2021-10-19 Gary Mehigan is an all round excellent chef who loves cooking at home for his family and sharing a meal together around the table With thirty five years experience and deep expertise with food one thing has always remained true Gary s genuine passion for making and eating good food every day In this approachable book Gary brings us into his own kitchen and shares the tried and tested and most loved recipes he s been serving with confidence for many years regular down to earth meals that he comes back to again and again In essence it s a homely translation of his professional notes Gary s golden rules as he likes to call them Whether you re someone who cooks regularly and needs a go to book of reliable inspiration or you re building your confidence and looking to learn new culinary skills Good Food Every Day is the only book you ll need on the countertop beside you With common sense instructions and plenty of tips on tweaks and techniques this is the ultimate collection of Gary s definitive everyday recipes for great home cooking that s right every time Publisher s description **Good Housekeeping Magazine** ,1904 The Second Book of Anatomy, Physiology, and Hygiene of the Human Body Joseph Albertus Culler,1905 Good Food: 201 One-Pot Favourites Good Food Magazine, No author name, BBC Books,2011 The experts at Good Food Britain s best selling cooking magazine have gathered together 201 of their all time favorite one pot meals Whether you re looking for a quick stir fry whipped together in no time or a delicious hearty stew that can bubble on the stove for hours one pot cooking is a surefire way to tasty healthy home cooked food With recipes for classic pies and roasts as well as casseroles curries hotpots and seafood dishes 201 One pot Favourites is packed with inspiring ideas With all recipes triple tested in the Good Food kitchen and complete with a full nutritional breakdown you can cook with complete confidence knowing that every recipe will work first time
