But Becca's dead. And her boyfriend Max can't get over his loss. Then Tess transfers to Thorn Abbey. She's shy and insecure, everything that Becca wasn't. **Beauty** Nancy Ohlin, 2013-05-07 Queen Veda of Ran shuns anything that makes her look or feel less than the fairest in the land including her daughter Ana. To gain her mother's love, Ana goes to great lengths to make herself appear ugly.

**B\*WITCH** Paige McKenzie, Nancy Ohlin, 2020-07-07 When the new girl in school joins a group of teen witches, she and her friends must team up with a rival coven to take down a mysterious killer. New girl and secret witch Iris just wants to get through her first day of school without a panic attack. The last thing she expects is to be taken in by a coven of three witches: soft-spoken Greta, thoughtful and musical Ridley, and fiery and spirited Binx. They may be the first witches Iris has met IRL, but their coven is not alone in their small northwestern town. The Triad is the other coven at their school. When the Triad's not using spells to punish their exes or break up happy couples for fun, they practice dark magic. The two covens have a rivalry stretching all the way back to junior high. When tragedy strikes and one of their own is murdered, the rival covens must band together to find out who is responsible before it's too late. Someone's anti-witch ideology has turned deadly, and one of them is next. With an inclusive cast of teen witches who leap off the page with style, attitude, and charm, *B\*Witch* is a bingeable read perfect for fans of *Buffy the Vampire Slayer* and *Mean Girls* alike. **Kardashians** Meredith Jones, Kath Burton, Donna Lee Brien, 2024-07-24 This interdisciplinary volume introduces the field of Kardashian Studies through collections of essays based in sociology, media studies, cultural studies, critical race theory, and fashion theory. **Informed Consent** Nancy M. Kettle,2002 ABSTRACT The doctrine of informed consent defined as respect for autonomy is the tool used to govern the relationship between physicians and patients Its framework relies on rights and duties that mark these relationships The main purpose of informed consent is to promote human rights and dignity Some researchers claim that informed consent has successfully replaced patients historical predispositions to accept physicians advice without much explicit resistance     **Relative Consent and Contract Law** Nancy S. Kim,2018 What does it mean to consent Consent is an essential component of contracts yet its part in contract law is obscure Despite its importance there is no independent doctrine of consent rather it plays a key but ill defined role in assessing doctrines such as assent or duress This Article addresses this significant omission in contract law by disassembling the meaning of contractual consent into three conditions an intentional act or manifestation of consent voluntariness and knowledge This Article argues that consent can only be understood relative to these three conditions Accordingly consent is not merely a conclusion but a process and a dynamic that depends upon a variety of factors including the relative blameworthiness of the parties their relationship third party effects and societal impact This Article through an examination of classic and modern cases demonstrates how the concept of relative consent provides a coherent framework for understanding contract law
