And Christ Chaos Dan Dewitt:

Christ or Chaos Dan DeWitt, 2016-01-14 Is Christianity irrational Atheists often say that it is But does such a charge really stand up to close scrutiny This book follows the story of Thomas a junior in college as he wrestles with the claims of those who think the Christian faith is nothing more than a collection of ancient myths with little connecting to reality Whether you are facing objections to your faith for the first time simply discussing your faith with unbelieving friends or doubting your faith altogether you might be surprised to discover that Christianity actually offers a more compelling explanation of what it means to be human than atheism could ever hope to provide **The Faith of Christopher Hitchens** Larry Alex

Taunton, 2016-04-12 2016 Winner of the Gospel Coalition Book Awards At the time of his death Christopher Hitchens was the most notorious atheist in the world And yet all was not as it seemed Nobody is not a divided self of course he once told an interviewer but I think it s rather strong in my case Hitchens was a man of many contradictions a Marxist in youth who longed for acceptance among the social elites a peacenik who revered the military a champion of the Left who was nonetheless pro life pro war on terror and after 9 11 something of a neocon and while he railed against God on stage he maintained meaningful though largely hidden from public view friendships with evangelical Christians like Francis Collins Douglas Wilson and the author Larry Alex Taunton In *The Faith of Christopher Hitchens* Taunton offers a very personal perspective of one of our most interesting and most misunderstood public figures Writing with genuine compassion and without compromise Taunton traces Hitchens s spiritual and intellectual development from his decision as a teenager to reject belief in God to his rise to prominence as one of the so called Four Horsemen of the New Atheism While Hitchens was in the minds of many Christians Public Enemy Number One away from the lights and the cameras a warm friendship flourished between Hitchens and the author a friendship that culminated in not one but two lengthy road trips where after Hitchens s diagnosis of esophageal cancer they studied the Bible together *The Faith of Christopher Hitchens* gives us a candid glimpse into the inner life of this intriguing sometimes maddening and unexpectedly vulnerable man If everyone in the United States had the same qualities of loyalty and care and concern for others that Larry Taunton had we d be living in a much better society than we do *Christopher Hitchens Live Smart* Dan Dumas, 2016-04-05 A Guide to Living Wisely While You re Young As a professor and youth director author Dan Dumas has seen that young people have high expectations for themselves They want their lives to matter and there s no reason our expectations for them should be any different This book presents practical tools and biblical advice to middle school and high school aged readers so they can make the most of their youth It covers everything from making the right friendships to how to think about education and how to invest in their relationships with God The habits a person forms when they re young can last a lifetime now s the time to make it count This book is ideal for parents and youth pastors to give to young people to read on their own or study in groups *This Changes Everything* Jaquelle Ferris, 2017-03-16 My name is Jaquelle and I m a teenager I like football movies sushi and dark chocolate

But the biggest most crucial most significant thing about me is that my life s task is to follow Jesus He is the One who changed my life That s what this book is about It s for teenagers eager to reject the status quo and low standards our culture sets for us It s for those of us who don t want to spend the adolescent years slacking off but rather standing out and digging deep into what Jesus says about following him This book will help you see how the truth about God changes everything our relationships our time our sin our habits and more freeing us to live joyful obedient and Christ exalting lives even while we re young Sketchy Views Daniel DeWitt,2023-07-24 Sketchy Views is a beginner s guide to making sense of God using words and sketches to help readers visually connect with and understand what basic Christian theology is and is not

Conversations on Canaanite and Biblical Themes Rebecca S. Watson,Adrian H. W. Curtis,2022-08-01 Arguments over the relationship between Canaanite and Israelite religion often derive from fundamental differences in presupposition methodology and definition yet debate typically focuses in on details and encourages polarization between opposing views inhibiting progress This volume seeks to initiate a cultural change in scholarly practice by setting up dialogues between pairs of experts in the field who hold contrasting views Each pair discusses a clearly defined issue through the lens of a particular biblical passage responding to each other s arguments and offering their reflections on the process Topics range from the apparent application of chaos and divine warrior symbolism to Yahweh in Habakkuk 3 the evidence for monotheism in pre Exilic Judah in 2 Kings 22 23 and the possible presence of chaos or creatio ex nihilo in Genesis 1 and Psalm 74 This approach encourages the recognition of points of agreement as well as differences and exposes some of the underlying issues that inhibit consensus In doing so it consolidates much that has been achieved in the past offers fresh ideas and perspective and through intense debate subjects new ideas to thorough critique and suggests avenues for further research **Now You Can Stop Running** Terry Crist,2025-06-03 You can find the deep peace you ve been longing for and that God has promised Because of spiritual brokenness we humans run We seek to escape fear disappointment unresolved trauma and unhealed wounds of the past but no matter how hard we try we can t seem to run far enough or fast enough to finally be free yet we keep running anyway But God wants so much more for us Pastor speaker and author Terry Crist has spent much of his life running from the pain of past trauma and toward the empty promises of what he thought would satisfy his soul In Now You Can Stop Running he leads you on a journey toward sanctuary where you will find not just respite but transformation not just shelter but home as you learn how to find authentic rest and spiritual wholeness in the boundless love of God With rich wisdom and profound pastoral insights Crist helps us Understand our own stories why we run what we re running from and who or what we re running toward Discern between the false promises of the world that create chaos and true refuge in the God who offers peace Encounter God through freshly told stories of faithful believers in the Bible who also ran for their lives Engage spiritual practices that will guide us through our past pain give meaning to our present struggles and illuminate our path forward with hope The same God who loved and guided Jacob Moses Hagar and David walks alongside us today His rest
