## **And South St Paul Brief History:**

South St. Paul: A Brief History Lois A. Glewwe, 2015 Incorporated in 1887 South St Paul grew rapidly as the blue collar counterpart to the bright lights and sophistication of its cosmopolitan neighbors Minneapolis and St Paul Its prosperous stockyards and slaughterhouses ranked the city among America s largest meatpacking centers The proud city fell on hard economic times in the second half of the twentieth century Broad swaths of empty buildings were razed as an enticement to promised redevelopment programs that never happened In 1990 South St Paul began to chart out its own successful path to renewal with a pristine riverfront park a trail system and a business park where the stockyards once stood Author and historian Lois A Glewwe brings the story of the city s revival to life in this history of a remarkable community Back cover
