S For 5th Graders:

Charter Schools and Their Enemies Thomas Sowell, 2020-07-14 Winner of the 2021 Hayek Book Prize A leading conservative intellectual defends charter schools against the teachers unions politicians and liberal educators who threaten to dismantle their success The black white educational achievement gap so much discussed for so many years has already been closed by black students attending New York City s charter schools This might be expected to be welcome news But it has been very unwelcome news in traditional public schools whose students are transferring to charter schools A backlash against charter schools has been led by teachers unions politicians and others not only in New York but across the country If those attacks succeed the biggest losers will be minority youngsters for whom a quality education is their biggest chance for a better life
