Rahman,2024-11-26 In Honor and Political Imagination Smita A Rahman reckons with the enduring power of honor in contemporary political and popular culture and the desire for heroism that accompanies it while attending to the dangers that such a desire brings Rahman argues that while there may be a place for honor in the political imagination it remains a contested and complicated one Including close readings of honor in popular culture Rahman explores the tragic cost of the pursuit of honor but also underlines its ability to inspire heroic political action *Experiencing Hektor* Lynn Kozak,2016-12-01 This book is open access and available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) It is funded by Knowledge Unlatched At the Iliad's climax the great Trojan hero Hektor falls at the hands of Achilles But who is Hektor He has resonated with audiences as a tragic hero great warrior loyal husband and father protector of a doomed city Yet never has a major work sought to discover how these different aspects of Hektor's character accumulate over the course of the narrative to create the devastating effect of his death This book documents the experience of Hektor through the Iliad's serial narrative Drawing on diverse tools from narratology to cognitive science but with a special focus on film character television poetics and performance practice it

examines how the mechanics of serial narrative construct the character of Hektor How do we experience Hektor as the performer makes his way through the epic How does the juxtaposition of scenes in multiple storylines contribute to character How does the narrative work to manipulate our emotional response How does our relationship to Hektor change over the course of the performance Lynn Kozak demonstrates this novel approach through a careful scene by scene breakdown and analysis of the Iliad focusing especially on Hektor In doing so she challenges and destabilises popular and scholarly assumptions about both ancient epic and the Iliad s other hero Kliatt Young Adult Paperback Book Guide ,2004
