

A photograph of a bridge at sunset or sunrise. The sky is a gradient of orange, yellow, and blue. The bridge's structure, with its towers and cables, is visible on the left. A dark, semi-transparent rectangular overlay covers the middle portion of the image. Inside this overlay, the text is displayed in a large, white, sans-serif font.

To face the inhuman, one
must become superhuman.

Become Superhuman:

How to Become Superhuman Matthew Martin McKissick, 2022-11-17 Humans were fated to evolve but through modernization the metamorphosis has become faster and ever more apparent While there may have been and continue to be greater representation of superior forms humans have yet to reach their fullest potential Therefore to reach ultimate superiority we must challenge ourselves in the most extreme conditions This book offers the best insight toward achieving beyond what is expected and will separate from other elites allowing us to enter the realm of mystical We will learn how we can develop into better specimens and indeed *How to Become Superhuman*

Becoming Superhuman Ben Smith, 2019-10-21 The normal human way of doing things is rife with inefficiencies It means starting a new writing project and blankly staring at your screen waiting for inspiration to hit you It means reading books at such a slow pace that you never have time to finish them in your busy schedule It means having a capricious mind that jumps from one distraction to the next stifling your ability to learn and retain information To become superhuman is to achieve superhuman memory reading and writing skills The combination of these three abilities will allow you to learn new things fast and to produce new work even faster Whether you are a student a writer an office worker human being you can benefit from the techniques taught in this book Learn how the memory works inside the brain and how to exercise your memory with techniques used by ancient Greeks Eliminate distractions and harness your power of concentration in a distracted world Learn speed reading techniques that can improve your reading speed by up to 300% Read faster with the ability to recall what you read instead of just skimming over pages and forgetting the material Learn how to overcome writer s block and hit the ground running with each new writing project Go from 2 000 words a day to up to 10 000 Includes a starter project for a fantasy novel that you can complete in less than 10 days

Atheistic Platonism Eric Charles Steinhart, 2022-11-30 Atheistic Platonism is an alternative to both theism and nihilistic atheism It shows how any jobs allegedly done by God are better done by impersonal Platonic objects Without Platonic objects atheism degenerates into an illogical nihilism Atheistic Platonism instead provides reality with foundations that are eternal necessary rational beautiful and utterly mindless It argues for a plenitude of mathematical objects and an infinite plurality of possible universes It provides mindless rational grounds for objective values and for objective moral laws for the persons who evolve in universes It defines a meaningful way of life which facilitates self improvement Atheistic Platonists argue for computational theories of life after death Atheistic Platonism includes a rich system of spiritual symbols It values transformational practices and ecstatic experiences Where atheisms based on materialism fail atheisms based on Platonism succeed
