Actually it was birthed from a message the Lord gave me in preparation of a ministry engagement. During my time of study I was encouraged to improve my attitude toward serving and motivated to take the challenge of becoming a woman of excellence. Thus shortly after God birthed this as an oral message I was inspired to write it as a tool of ministry to God's people. I do not claim to be one called specifically to minister to women nor do I consider myself an expert on this topic. I rather believe I have the grace given by the almighty God to be an oracle of His divine Spirit to speak and write on any topic as He so desires and inspires. I feel the Lord desires to communicate the need for excellence in his women through the example of the Shunammite woman in 2 Kings Chapter 4. This book is for women and men who desire to understand this subject through the life of a great woman in scripture whose name is not recorded. The Shunammite Woman. Though all aspects of excellence are not covered in this book enough spiritual food is here to get your will involved on a search through the word of the Lord for guidelines and principles in the lives of other bible characters that will build your character as God's woman. *Becoming a Woman of Purpose* Cynthia Heald, 1994 If your success leave you feeling unsatisfied this Bible study can aid in your gaining a better understanding of God's purpose for your life. **The Curriculum and Small Group Resource Guide** Judy Hamlin, 1991
