Dooling,2015-12-15 The small town of Delphi Colorado wasn't like most towns New people were always coming and going there were large numbers of animal attacks in the surrounding woods and a suspiciously high rate of missing persons This was the town where seventeen year old Eden Day had lived her entire life Eden and her three best friends Mel Wes and Jasmine love to hang out eat junk food watch too much television and dream about someday leaving Delphi to see the world That was until the dark rainy night when Eden was walking home alone in the woods and was attacked by a vampire Bleeding and broken she crawled into an old abandoned church where she died Miraculously coming back to life she senses something within her is changing Is she still human Is she becoming a vampire Something that would be terribly inconvenient considering she's a vegetarian In her quest to discover what is happening to her Eden meets Oswald Chang a genius computer geek with extensive knowledge of the Supernatural Through him she learns of the secrets behind her town and her newfound connections to them As the vampire attacks increase Eden must learn to embrace what she is becoming in order to protect all that she holds close If she can do this while still passing English and avoiding the irresistibly charming but equally infuriating new boy in town Eden just might have a chance of surviving till her graduation The Jewish Week and the American Examiner ,1975-06 **Arts & Humanities Citation Index** ,1979
