**Acts** Gerald L.

Stevens,2016-04-05 This analysis of Luke s post ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost the Hellenists and the character development of Saul Paul to reveal Luke s insight that the future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost Further the Saul Paul of Acts is not what most readers presume from Paul s letters For Luke Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment Paul himself becomes Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts This plot mechanism provides illuminating exegesis of Paul s insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul Stevens concludes by integrating the ending of Acts into Luke s three major themes and overall narrative strategy an impressive compelling and thoroughly fresh reading of Acts

**The Challenge of World Theatre History** Steve Tillis,2020-09-19 The future of theatre history studies requires consideration of theatre as a global phenomenon The Challenge of World Theatre History offers the first full scale argument for abandoning an obsolete and parochial Eurocentric approach to theatre history in favor of a more global perspective This book exposes the fallacies that reinforce the conventional approach and defends the global perspective against possible objections It moves beyond the conventional nation based geography of theatre in favor of a regional geography and develops a new way to demarcate the periods of theatre history Finally the book outlines a history that recognizes the often connected developments in theatre across Eurasia and around the world It makes the case that world theatre history is necessary not only for itself but for the powerful comparative and contextual insights it offers to all theatre scholars and students whatever their special areas of interest

**American Drama Since 1960** Matthew Charles Roudané,1996 In the early 1960s two leaders of the New York performance group Living

Theatre were asked to define its purpose In this survey of contemporary American drama Matthew C Roudane argues that the response of these two pioneers in experimental theater Julian Beck and Judith Malina goes a long way toward explaining the purpose of all of the rich and varied dramas to appear on the stage since 1960 To increase conscious awareness to stress the sacredness of life to break down the walls African American playwrights Lorraine Hansberry Alice Childress James Baldwin Amiri Baraka women playwrights Marsha Norman Wendy Wasserstein Beth Henley gay playwrights Harvey Fierstein Tony Kushner and others have over the past three and a half decades entreated audiences to acknowledge the persistence of racism sexism homophobia and a host of other societal ills Other playwrights have asked audiences to confront their own mortality Edward Albee their compromised morality David Mamet their unfulfilled American Dream Arthur Miller

Sam Shepard and countless others. Whatever the particularities of these playwrights' personal identities, politics of dramatic style they share a willingness to confront uncomfortable truths about the human condition in America since 1960. Ironically it is in their very rebellion against any number of things American that they identify themselves and their literature as such. Roudane takes no scattershot approach to his subject, favoring clusters of themes and the broad sweep of movements to linear chronology; he develops a carefully aimed analysis of the work of about two dozen of the hundreds of playwrights whose dramas have since 1960 been performed in every venue from regional and university theaters to Off Off Broadway to Off Broadway to Broadway. **BOOK JACKET** Title Summary field provided by Blackwell North America Inc.
