Bedroom Chronicles An Anthology:

Bedroom Chronicles Jamise L. Dames, Brenda L. Thomas, Amaleka McCall, Anna J., 2010-07-20 What really goes on behind closed doors BEDROOM CHRONICLES an anthology offering four degrees of heat from four bestselling authors reveals all Taking readers on a steamy ride Bedroom Chronicles turns up the heat page by page and allows an intimate view into the lives of Shaila Celeste Denim and Cherise four very different woman who have one thing in common an ultimate fire coupled with desire Shaila forgot the cardinal rule on how to keep a man Be a lady in the streets and a freak in the sheets and now she must master it to save her relationship In The Rebounder she learns her game and plays her position and receives a lesson stay on top of your business or someone else will climb on it for you Enjoying the thrill of her steamy journey she has to question just how far she s willing to go because sometimes there s no turning back Is it a crime to love someone to death In A Crime of Passion Celeste and Byron take their vows to another level bringing out their wild sides and showing a level of passion in their marriage that is beyond reason The ride you will take in this stunning court case leaves nothing to the imagination and is truly one you will never forget Demin Nelson is a wealthy heiress with an insatiable sex drive She can afford to buy anything and anyone she wants except Amare Douglas a sexy gardener with a secret who proves to be her sexual match In her quest to own him Denim becomes obsessed with his bedroom work and walks on the wild side to keep him When prominent anesthesiologist and overachiever Cherise Grant can t get the men she wants she blames her looks weight and boring lifestyle To combat loneliness she comes up with The Experiment and discovers an alternative method to get the control over men she has always desired Cherise s plan though unethical becomes the best outlet she s ever had **Exposed:** Anna J., 2013-10-01 It has been said that in a marriage you only get eighty percent of what you need When the other twenty percent is too tempting to turn down do you decide to go with your family life or do you take advantage of a once in a lifetime opportunity Simone Te Nae and Shay are picture perfect wives and career women Although they re able to juggle prestigious jobs motherhood and wifely duties with ease they share a dark secret that if exposed could ruin everything they ve worked hard to maintain They will only get one chance to figure out if their families and marriages are worth more than the risks they re taking They better hope they make the right decision because once good wives go bad there is no turning back and the consequences can be major **Hell's Diva II:** Anna J., 2012-04-24 Anna J s riveting Hell s Diva series continues as Mecca Skyes returns to take her ultimate revenge on the only person she ever thought she could trust Beautiful Mecca was only a kid when her parents were killed and she was saved from the rough streets of Brooklyn when her aunt Ruby the godmother of crime took her in Ruby rubbed out the goons that murdered Mecca s parents and everything seemed fine until Ruby betrayed Mecca by sleeping with her man setting in motion a series of events that nearly leaves Mecca dead from a gunshot wound Now Mecca s all healed but her heart is cold and she won t rest until she brings Ruby down But in the end everything may not turn out the way Mecca thinks it will **Hell's Diva:** Anna J., 2011-06-08

When Mecca's parents are killed in front of her by a family friend she learns that true friends are few and far between. She is taken in by her aunt and soon finds out who is really riding for her and who is just around because they fear the wrath of Aunt Ruby. Making a deal with the devil doesn't seem all that bad when you're sitting on top of the world with endless amounts of money and designer everything, but it's not long before her beloved Aunt Ruby is snatched away from her. Mecca is forced to fend for herself. She learns to play with the hand she was dealt but who will be left standing in the end? In Mecca's world everyone is suspect and no one can be trusted, not even family. When the truth is revealed to her, it is up to Mecca to decide if she'll do the right thing and lead a life of righteousness or continue to walk down the same dark path as her aunt.

The Double Cross 2 Anna J., 2022-09-27 At one point Selah, Vice, and Skye were inseparable, but money will change the very meaning of friends. To the end. Life after losing a loved one can be hard, especially if you're the reason why they are no longer here. These are the times that you are supposed to lean on your friends, the most. Selah is about to learn a hard lesson that she may not be ready for. Will her ride or die chicks ride with her again, or will this be the end of the trio? Feelings will be hurt, and the things they've done in the dark will come back to haunt them, whether or not they're prepared. Nowadays you have to be careful who you call a friend.

My Woman His Wife 3 Anna J., 2012-11-01 It's been four years since Monica disrupted the Cinque household, but starting trouble is like riding a bike for Monica, and she's pedaling full steam ahead. The foundation of Jasmine and James Cinque's marriage has been shaky ever since they dared to bring a third person into their union. Now they're trying to repair the damage they've done, to regain trust and repair broken hearts. But with so much drama in their past, it won't be hard for Monica to come in and shake things up a little. If Monica is smart, though, she'll watch her back. With so many enemies gunning to take her down, Monica has to decide if Philly is where she wants to be, or if she should run back to the ATL where it's safe. Or is it? Breaking up is hard to do, but making up proves to be just as challenging, especially if Monica has anything to do with it.

This latest edition, a must-have for libraries, brings its index up to date as of May 31, 2006. This latest version features 85,000 classic and contemporary poems by 12,000 poets. Also included are works in translation and, for the first time, poetry in Spanish, Vietnamese, and French. The subject organization of the poems is especially useful. Hundreds of new subjects have been added, indexing poems on highly relevant topics such as Osama bin Laden, the war in Iraq, Dick Cheney, the Internet, and Rosa Parks, as well as timeless subjects like the Bill of Rights, unspoken love, faith, and inspiration.
